H. M. Covington, extension horticulturist, says experiments at late College do not show that the Georgia bunch or vineless strain of sweet potato will give the extra yield that has been publicized. It has also been noted, he says, that the lack of vines closing in the row presents a cultivation problem. In addition, the Experiment Station also found that the strain was seriously infected with the new disease, internal cork. Covington advises farmers not to use this strain unless plants can be found that are free of the cork disease.

The 1950 Softball season got off to a good start last night as the Baptists and Christians tied at 8 all and the Methodists defeated the Episcopalians 6 to 4.

In the first game the Christians took an early lead scoring one run in the first and another in the third and were ahead 2-0 going into the fourth when the Baptists took off on fast ball pitcher Junie Peel. Jackson led off with a double to left center, Frank Weaver followed with the first home run of the season to make it two and two. Tootsie Roberson then walked and advanced on an infield hit. Forehand walked and Roberson scored on an infield out to put the Baptists in front three to two. The Christians came back in the top of the fifth to score one run on successive hits by Vernon Bunting and Dinky Cherry and tied up the count again. The Baptists wasted no time in coming back to score two more runs on hits by Clayton, Barnhill and Miller. This made the score 5-3 in favor of the Baptists.

The Christian team really hit the jackpot in the seventh inning when they scored five runs on a hit by Cherry, a walk by Roger-son, a hit by Sessoms, another walk and then Junie Peel knocked the cover off the ball for a home run that cleared the bases and ran the score to eight-five in favor of the Christians.

The Baptists, however, were not licked and proceeded to score three runs that tied the count at 8-all. Homer Barnhill led off with a single, Miller added another and Weaver drove them both in with a clean hit over second. Tootsie Roberson then connected for a single to drive in the

tying run. The Baptists thinking the Christians only had seven runs walked off the field in the belief they had won the game 8-7. Checking the score book they found the score was really tied at 8-all but since some of the fellows on both sides had already left for home the game was ended. The game will be played off at a later date.

In the second game things really got off to a very fast start. Dillon Cobb led off with a clean single over second base and advanced on Knox's error of McKeel's fly ball to right field. Both runners advanced on Ross' hit, Cobb scoring the first run for the Episcopalians.

The Methodists came back in their half of the first inning to score two runs and go in front two to one. Darrell Clayton walked and advanced on a hit by Jockey Davis. Clayton then scored on a hit by Perry and there were two men on base. Carter was out to the pitcher and then Davis scored on Rowland's errored ball for the second run. Neither team was able to score in the second inning and then the Episcopalians added another run in the top of the third on hits by Lowry and Ross. The Methodists went ahead again in their half of the third on a hit by Perry and Carver's errored ball.

The Episcopalians came back ablazing in the fifth as McKeel led off with a single, went to second on Lowry's second hit of the game and both scored on Ross' second hit. This put the Episcopalians ahead four to three.

The Methodists sewed up the game in the last of the sixth as they scored three more runs on one hit, three errors and a base on balls. Highlight of the inning was Tom Byrdon's home run, with Clayton and Davis on base, this providing the winning margin.

SWOONING TIME

Elizabeth, N. J. - Three women appeared successively before the Superior Court judge to get divorces from their husbands.

The first, Mrs. Margaret Norman, while testifying, slumped over in a dead faint. The second Mrs. Jeanette A. Smith, fainted too. By the time Mrs. Helen Shepherd took the witness stand, the sergeant-at-arms and the court-house nurses were ready for anything. Sure enough, Mrs. Shepherd swooned too. All three women got their divorces.
