voice against communism and dictators. No one with any sense of fairness and honesty would deny this fact without checking the published accounts of his utterances for the past 20 years. As he has fought all his life for the welfare of the people of his state he will extend this same fight in this broader sphere of work for the people of the nation and the world.

7. Because of the pride I can take in being represented by a man of such prestige, won by a life long adherence to lofty ideals, and by zealous work for a broader application of the principles of democracy and Christianity among our people. Such descrip-

tive words of him as: "loyal as any American who walks this earth," "his work was a diplomatic miracle," "his speech on Atlantic Pact is the greatest I have heard in U. S. Senate," "lifts the level of the people," "shows the way to live with those who know him best. Yes, we should have pride and confidence in having a statesman of international status represent us in these days of the greatest challenge our democracy has ever had.

CARD OF THANKS

I wish to sincerely thank my friends and loyal neighbors who have been so kind and considerate of me during the past several months. During the past 15 months I have been in Duke hospital on five different occasions for treatment. All cards, gifts were highly appreciated and I am also very grateful to my neighbors who gave me tobacco plants making it possible for me to have a tobacco crop.

Robert Coltrain,

CARD OF THANKS

I would like to take this opportunity to thank the many friends who were so nice and thoughtful of me during my sickness in the hospital and at home. I wish to thank them for all the nice cards, flowers, and other gifts which I received. I shall long remember their kindness. I also want to thank Dr. Brown and his staff for their kindness. May God bless you all always.

Mrs. Hoyt Manning.

Local Jaycees Get Honors at Meeting

The Williamston Jaycees were doubly honored last Saturday evening at the Chamber of Commerce State Convention in Raleigh.

Before more than seven hundred Jaycees, their wives and dates in the Memorial Auditorium, Past President Thad Harrison was recognized by the State President and praised for his outstanding work as State Awards Chairman for 1949-50 and then was called upon to present to his

club two second place awards out of two entries in State competition.

The Williamston Jaycees entered two scrapbooks for projects performed by the local club last year, one in the field of Money-Making Projects and the other in Christmas Activities. The Money-Making Project book entered was composed of a complete outline from start to finish of the "Miss Williamston" Beauty Pageant and the Christmas Activities book was a similar outline of the Nativity Scene on the Presbyterian Church law and that of the Christmas party for the underprivileged children.

This was the first time that the Williamston Jaycees have entered projects in State competition and were quite honored to receive a second place award out of both projects, selected from a field of many large and small clubs all over the State.

Jaycees Thad Harrison and Wilbur Jackson compiled the information and prepared the books entered.—Reported.

Buck Holloman for Sheriff of Martin County

The late Sheriff Roebuck had enough confidence in him to make him his deputy, and recommended his appointment for the office. The Martin County Commissioners followed the recommendation.

We have observed Buck Holloman while he was deputy and later as sheriff, and we find him a capable and hard-working officer, one who is interested in the county, its people, justice and fairness for all.

We need Buck Holloman and Buck Holloman needs us. Let's not fail him and the cause at stake on Saturday, May 27

SAM M. CAMPEN

Pamlico County Farmer and Merchant.

Is Seeking Re-election to the

NORTH CAROLINA SENATE

Since it is customary to give a man a second term, Mr. Campen is offering himself once again to the Democratic voters of the second senatorial district. He stands on his record in the last senate—a record which shows him a worker for better schools, more adequate hospitals for the mentally ill, and more efficient government.

A practical man, Mr. Campen attended college, but his experience in farming and in business and his understanding of the needs of our people combine to make him a candidate of the people.

A fine progressive man, a leader, and a proven servant of the people, Senator Campen is asking for reelection. His many friends in Martin and adjoining counties will appreciate any help and support that you may give. But most of all Sam Campen will be grateful for your unselfish help and support. Let's keep a good man there!

Signed:
