### Everetts Ruritan Enjoy A Barbecue Supper

A barbecue supper sponsored by the Everetts Ruritan Club was served to over 200 members and friends Tuesday evening, May 30, in the Everetts school lunch room. Over \$200 was made from the supper which was given for the benefit of the Everetts Ball Club.

After the supper a meeting of the Ruritan members was held. The newly organized club's charter had been received and thirty members signed it.

Visitors at the meeting were two Ruritan members from the Pactolus club and five members of the Jamesville Ruritan club.

Regular meetings of the club were set to be held the last Tuesday of each month.

### Makes Dean's List At College Last Period

Billy Myers, local young man who is accepting a job with the Wachovia Bank following his recent graduation from Duke University, was listed among those making the Dean's List at the institution last term. To make the Dean's List, a student must make a scholastic average of "B" or more, the young man making three A's and a B.

He is to report for duty with the bank next Monday in Winston-Salem.

### The Corn War Is On Again

By R. McK. Edwards  
Negro County Agent

Are we using all the available ammunition that we have to beat Virginia in this Corn War.

Let's do less planning and more fertilizing.

If you leave those corn roots alone and apply plenty of Nitrogen there will be more time to go fishing this summer, and more corn to go in the barn this fall. Two or three cultivations are all that corn needs and they should be very shallow.

Under normal conditions, the amount of Nitrogen will to a great extent determine the yield. Remember there are eight extra bushels of corn in each 100 lbs. of Nitrate of Soda; 10 bushels in each 100 lbs of Cal Nitrate, and 16 1-2 bushels in each 100 lbs. of Ammonium Nitrate.

The extra money that you spend for sidedressing now will pay a big dividend this fall.
