

### "Young Man With a Horn" at Viccar

With the rapidly-rising Kirk Douglas in the title role, Warner Bros.' long-awaited film version of the recent best-seller novel, "Young Man With a Horn," comes into the Viccar Theatre on Sunday, Monday and Tuesday.

The picture tells the story of a jazz trumpeter who rises to the peak of his profession only to topple when riches and a beautiful girl nearly prove his undoing.

Lauren Bacall plays the sultry woman in his life while Doris Day, as a band vocalist, is the other woman. Hoagy Carmichael, famed most perhaps as tunesmith for the now-classic "Stardust," plays a featured role as does Juano Hernandez, Puerto Rican star from Broadway, who recently scored an impressive acting triumph as the negro in "Intruder in the Dust."

Jazz and movie fans alike are in for both a musical and dramatic experience, for the film contains a number of hit tunes sung by Doris Day and interpreted by famed musicians representing the bands of Harry James, the Dorseys, Duke Ellington, Charlie Barnett, Stan Kenton, Vaughn Monroe, Phil Harris and Spade Cooley.

Among the songs Miss Day

sings in the film are: "I May Be Wrong," "The Very Thought of You" and "With A Song in My Heart."

The film, which depicts the graphic behind-the-scenes lives of the popular music world, was directed by Michael Curtiz, one of the leading megaphoners in Hollywood today.

Carl Foreman who scripted "Champion," the last film in which Kirk Douglas made such a large stride toward the top, also wrote the dialogue for "Young Man With a Horn."

### 1950 House Has Three Bedrooms

What do today's home-building families want in a new home? A New York prefabricator who spent about \$10,000 on design and who plans to produce 600 to 700 houses this year has studied

trends closely and come up with these answers. Today's family, he finds, wants a one-story three-bedroom house with plenty of storage space. It wants a second bath, or a powder room with tile floor and a tiled dressing table. Today's family likes the friendliness of a fireplace, and the openness which large expanses of glass provide. It prefers a dining area opening into the living room,

rather than a separate dining room. It wants a compact kitchen with lots of cabinet space and automatic equipment. You'll see plenty of homes planned with

these features and built throughout the United States during 1950. Physical condition of most Americans called "pretty poor."

# "I Do"

IT MAY HAVE BEEN but a decade ago, or it may have been far back in the "Twenties" . . . but sometime, somewhere, a young man stood in the soft light of a Junetime morning and repeated the words—"I do."  
Since that time, he has fought—without interruption—for the place in the world he wants his family to occupy.  
And it'll well may be that, out of the struggle, he has lost just a bit of the sentiment that used to abide in his

heart—for success is a jealous master and exacts great servitude.  
But not when the Junetime comes—and, with it, that anniversary of another June!  
Then the work-a-day world, with its many tasks, is cast abruptly aside; and sentiment—pure and simple—rules in his heart once more.  
And, because there are so many thousands of him, doorbells are ringing this June throughout America . . . and

smiling boys in uniform stand, hats in hand, to deliver the proofs of remembrance. And along with the beautiful flowers, and the boxes of candy, and the countless other gifts, some of those brides of other Junes will receive the titles to new Cadillacs.  
And, for them, there will be no other June like this—save one alone.  
As your Cadillac dealer in this community—we've had long practice in the art of keeping secrets. Why not come see us today? You can trust us not to tell!
