### Place Nine Cases On Calendar For Trial Next Week

(Continued from page one) and separated on April 2, 1948, that no children were born to the union. The defendant, in his answer, denies most of the allegations and prays that divorce be denied.

In his suit against Zelma Oliver, L. J. Oliver says they were married on January 13, 1944 and separated on August 6, 1947, that the one child born of the union is in the custody of the mother

but supported by the plaintiff. Wallace C. Moore in his case against Annie E. Moore complains that they were married in 1940 and separated in August 1947, that no children were born to the union and that the defendant is now living in Philadelphia. The divorce case of Norman against Norman was missing from the files, but it was learned that the plaintiff lived in the lower part of this or in Washington County and was represented by Pete Bell, Negro attorney.

### Minor Accidents On County Roads In Past Few Days

(Continued from Page One) to a 1939 Chevrolet driven by Willie Arthur Lane of Pitt County.

Driving toward Hamilton on Highway 12, Lane pulled to the right and stopped on the shoulder of the road about a mile out of Oak City, and then turned back into the road. The Oldsmobile crashed into the side of the Chevrolet. No one was hurt and damage to the Olds was estimated at \$100 and to the Chevrolet at \$50 by Patrolman R. P. Narron who made the investigation. Lane, operating the car without driver's license, ran away. He was arrested by patrolman Narron about an hour later. Trying to accommodate the driver, Patrolman Narron carried Lane to his brother's home near Oak City to arrange bond. Lane went through the front door and right on out the rear door and up until late yesterday afternoon had not been seen.

**AGRICULTURAL COUNTY COUNCIL MEETS JUNE 14** The Agricultural County Council will hold its June meeting Wednesday night, June 14, at 8:00 o'clock in the agricultural building, R. McK. Edwards, Negro County Agent, has announced. Plans for attending the Farmers and Homemakers Conference and The Upper Coastal Plain Experiment Station will be discussed. There will also be a discussion on Cotton Insect Control. All farmers are urged to be present.

**Spending Few Days Here** Mrs. Pete Eason and son of Farmville are spending a few days here with her parents, Mr. and Mrs. A. R. White.

**Visit In Ahoskie** Mr. and Mrs. M. J. Davis were in Ahoskie Sunday visiting Mr. Millard Lilley who continues critically ill at his home there.

**EVERETTS 4, OAK CITY 0** In a game featured by good pitching, the Everetts Cubs Sunday afternoon defeated Oak City's Roosters 4 to 0. R. Williford allowed the Roosters just three hits as his mates collected only seven scattered bingles off R. Manning of Oak City. The Cubs got their runs at the rate of one per inning, in the third, fifth, sixth and seventh frames.

Bobby Bullock of Everetts and Tyson of Oak City got two hits each in the game but no other players could do better than one. Hassell got the only other Oak City bingle.

It was the second in a row for the Cubs over the Roosters as they went extra innings Saturday night to get a 5-4 decision in the Williamston park.

Finding that it was taking too much of his time, Morris Stalls resigned last week as manager at Everetts and a manager is to be named this week to replace him.

**IMMORTAL MEMORY**

Memory is a fragile thing. Unless it is carefully tended and kept vivid it will gradually fade with the years. A truly effective memorial is a bulwark against the fading effects of time. Standing in dignity in a hallowed place it perpetuates the memory of love and is a source of inspiration throughout the years.

Design, material and craftsmanship are the three things which insure beautiful and permanent memorials. You get them when you place your confidence in an established dealer.
