Courtney Gas Co., Inc. Dial 2572

June is Dairy Month

IT WOULD be difficult to estimate how greatly America's high standard of health is directly due to our dairy farmers and milk distributors.

For milk is more lavishly available to more families in America, and at lower cost, than in any other country.

It is the best milk in the world, and abundant supply plus our system of low-cost distribution, create a standard which is a model for the world. One out of every 15 U. S. families is dependent on milk for a livelihood, and 1949 cash farm income from milk, in Virginia, West Virginia and North Carolina alone, totalled \$122,162,000.

A situation so mutually favorable to producer, distributor and consumer could exist only under our free enterprise system.

And electricity, supplied by business-managed, tax-paying utilities such as VEPCO, helps make the modern dairy farm a land of milk—and money!

Thanks to cheap Electricity — this tremendous dairy investment and the health of the families in VEPCOLand are both protected by electric refrigeration and hot-water-by-wire.

You can haul more loads... more miles...for less... with Chevrolet Trucks

Take time out to talk to some Chevrolet truck users. You'll find it revealing. You'll discover that Chevrolet trucks pay their way by hauling more loads—more miles—for less! And you'll find that this extra measure of value is even more apparent in the new Chevrolet models. Definitely, they're America's first-choice trucks. Heavy-duty units feature a brand-new 105-h.p. Valve-in-Head engine with the power to pull heavy loads and conquer steep grades. They offer new Power-Jet carburetion for smoother, quicker operation. They bring you the fast, safe shifting of Chevrolet's 4-speed Synchro-Mesh transmission. But whatever your hauling requirements, Chevrolet trucks are your best bet. See them in our showroom. You'll agree.

ADVANCE-DESIGN TRUCKS

Roanoke Chevrolet Company — Williamston, N. C.

PERFORMANCE LEADERS

Here are the most powerful Chevrolet trucks ever built! Two great Valve-in-Head engines—the Thriftmaster 92-h.p. and the new Leadmaster 105-h.p. engine have stepped-up power and performance.

PAYLOAD LEADERS

Low operating and repair costs of Chevrolet trucks are due to finest engineering and rugged construction. Chevrolet trucks let you deliver the goods with real reductions in cost per ton per mile.

POPULARITY LEADERS

For the last full year, Chevrolet trucks have outsold the next two makes combined! That's evidence of the owner satisfaction they have earned—proof that Chevrolet is the nation's most-wanted truck.

PRICE LEADERS

You're money ahead with Chevrolet trucks! Chevrolet's rock-bottom initial cost—outstandingly low cost of operation and upkeep—and high trade-in value, all add up to the lowest price for you.
