

News As Reported In The Enterprise Forty Years Ago

June 17, 1910
Rarely does a more beautiful marriage occur than that of Dr. Joseph Hubbard Saunders and Miss Nannie Hayes Smith which was solemnized, Wednesday morning at 8 o'clock in the Episcopal Church. Rev. William Jones Gordon, rector, officiating. The church was tastily decorated with a profusion of gardenias, lovely plants of lilies and begonias in full flower forming an attractive setting for the whole. An immense white floral bell hung above the entrance to the chancel. Candles on the altar and credence table shed a soft radiance over the

beautiful scene. Mrs. Clarence Albert Jeffress, of Kinston, presided at the organ, and with her usual brilliancy of interpretation rendered the following selections, while the guests waited for the coming of the bride. "In the Month of June," "Consolation," "Flower Song," "Hearts and Flowers," and "Meditation." At the appointed hour, the organ pealed forth the first sweet strains of the Bridal Chorus from Lohengrin, and the ushers, Dr. David T. Taylor, of Washington, Frank F. Fagan, Edward B. Darden, of Hamilton, cousin of the bride; J. McKimmon Saunders, of Washington, brother of the groom, came up the aisle and took position on the steps of the chancel. Then the groom with his brother, Mr. John Myer Saunders, of Kinston, entered from the vestry room and waited the bride at the steps of the chancel. Agusta Smith, sister of the bride, lovely in a white lingerie dress and a picture hat and carrying white roses, came next. Attractive in a going away gown of champagne cloth with hat and gloves to match, and carrying an exquisite shower bouquet of lilies of the valley, came the bride, leaning on the arm of her uncle, Mr. John P. Boyle, of Hamilton, who gave her away. During the ceremony Schubert's Serenade was played softly. This marriage unites two popular young people who are prominently connected in this other states. The bride is the daughter of Mrs. Alexander Hall Smith and is a most charming young woman. She is an alumnae of the State Normal and Industrial College, and is an accomplished musician, having been organist of the Episcopal Church for several years. The groom is

It Says the Nicest Things About You!

There are few stronger urges in the human breast than that which grows out of the desire to stand well among our fellow beings.

And around this great basic emotion lies much of the appeal of a Cadillac car.

Alight from your Cadillac anywhere you will, in the presence of people, and certain splendid deductions are immediately made about you.

It could not be otherwise—for the wonderful people who own this car have made it so. In every community in America, a preponderant proportion of the leading citizens have long since turned to Cadillac.

Out of this close association, the car has partaken of the character of its owners until it has now become their symbol. It is recognized throughout the world as the all but automatic companion to outstanding personal success.

The genesis of all this, of course, is quality. For almost fifty years, Cadillac cars have been built to the highest standards it is practical to enforce in the production of a motor car. And people of achievement and discernment have sought them out as water seeks its level.

Today, Cadillac stands uniquely alone in the things it reflects upon its owner. It all but writes his biography!

Have you thought of a Cadillac car for yourself? If so, why not come in some day, quite soon, and talk it over?

We think you'd be surprised and delighted at how easy and practical it has now become to join the wonderful people who own and drive this wonderful car.
