

# Rams And Farm Life Continue To Set Pace In League

## Jamesville Picks Up Its Fourth Victory

### Everetts Cubs Are In Fourth Place In The Standings

### Oak City and Washington Falter In Recent Games To Lose Ground

The Robersonville Rams and Farm Life's team continued this week to set the pace in the Martin County Baseball League while Oak City and Washington faltered and wound up in the second division behind the Everetts Cubs which managed a split over the week-end, losing to Farm Life 9 to 8 in 11 innings Saturday night and then taking an 8 to 5 decision over the Bees at Washington on Sunday afternoon.

Farm Life stopped Bear Grass Sunday afternoon 8 to 2 for their second victory of the week-end. Jamesville outlasted Oak City for a 10-4 decision Sunday afternoon while Robersonville got by the Williamston Martins in a tough game at Williamston, 4-2.

Wet grounds stopped Jamesville and Everetts from playing Friday night.

It is not certain that the scores

RESULTS	
Friday, June 23	Jamesville at Everetts, wet grounds.
Saturday, June 24	Everetts 8, Farm Life 9, 11 innings.
Sunday, June 25	Robersonville 4, Williamston 2, Farm Life 8, Bear Grass 2, Jamesville 10, Oak City 4, Everetts 8, Washington 5.

reported today are the exact ones because they were mighty hard to trace down but the winners appear to be accurately placed.

**FARM LIFE 9, EVERETTS 8**  
Rallies in the 6th, 7th and 11th innings enabled Farm Life to outlast the Everetts Cubs in the Williamston park Saturday night for a 9-8 victory. The Cubs had taken a 6-0 lead by the time Farm Life came to bat in the last of the sixth. Farm Life scored four in that frame and came back to tie the count with two more in the seventh. Everetts went out front again in the 8th but again Farm Life tied the count at 7-all. Each team failed to score in the 9th and 10th but in the eleventh Everetts

pushed one run across to take the lead again. This lasted only long enough for Farm Life to get to bat however, as they scored two to take the decision.

Stancel Hardison went all the way for Farm Life while Eason and G. Keel divided the work for the Cubs on the mound.

**FARM LIFE 8, BEAR GRASS 2**  
Farm Life won its second game in as many days when it used six runs in the second inning to take an 8-2 decision from Bear Grass Sunday afternoon. Ricks scattered nine hits while his mates were getting to Garland Wynne and Beddie Peel for 11. Each team was charged with two errors.

Farm Life got its seventh run in the fourth frame and its 8th tally in the 7th inning. Bear Grass' scores came one at a time in the fourth and eighth frames.

**ALLOWED IN PART**  
A protest filed by Williamston against a ruling by an umpire in a game in Williamston Tuesday night, May 30, has been allowed in part by League President Howard Gaylord.

Farm Life was credited with winning the game 6 to 5 pending a ruling on the protest. Now a victory comes off Farm Life's total and a loss is taken off Williamston in the standings. The game is to be replayed Sunday, Aug. 6 in Williamston and is to begin in the third inning with Haywood Wynne on third and Joe Davenport on first. The dispute arose over a ball being thrown into the stands.

is still unsold, while six months' production of the new Wrinkle-Shed was snatched up by garment makers in two months.

**Jamesville Youth Enjoys Big Dinner**  
"And a feast was prepared in his presence" might well have been the theme of the dinner recently served Midshipman Oliver Hamilton, Jr., USNR, of Jamesville, N. C., 213 and 336 other Naval Reserve Officers Training Corps midshipmen during a training cruise aboard the battleship USS Missouri.

The dinner, commemorative of the sixth anniversary of the commissioning of the Missouri, was served while the warship was anchored at Boston, Mass. Following the meal, which was served both to the Reserve midshipmen and to the officers and crew of the Missouri, liberty was granted in Boston.

The Midshipmen are participating in the annual summer training cruise, which features supervised instruction in all phases of routine and emergency operations aboard fleet units at sea. The arrival in Boston concluded the first week of a six-week training period for this group of future officers in the Naval and Marine Corps Reserve.

Oak City	5 8 .384
Williamston	5 10 .334
Jamesville	4 9 .308

## Beta Club Officers For Jamesville

As a rule the ending of an old year and the beginning of a new one brings on the election of officers, so has it been with the Jamesville Beta Club. At our semi-monthly meeting we elected Bobby Lilley, president; Lewis Kirkman, vice-president; Dean Stallings, secretary; Wayne Beard, treasurer; and Pat Holliday reporter.

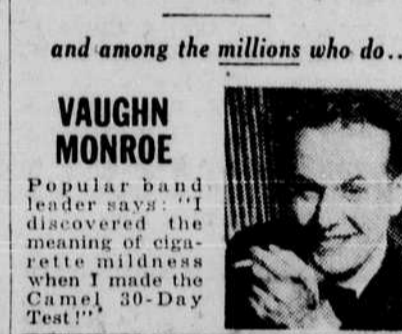

As a result of the closing of this school year we lost the last of the charter members of our Beta Club. There were only three who were fortunate enough to have the Beta Club Seal on their diploma these being: Mary Alice Griffin, Elizabeth Brewer and Brownie Holliday.

We are looking forward to a prosperous year, with the guidance of our very efficient advisor, Mr. V. B. Hair.

**CHANGE IN HOURS**  
Since a water safety school is being conducted at the local swimming pool five nights a week from 6 to 8, the hours the pool is open to the public have been changed. For the next two weeks the hours are 8 to 9:30 every night except Wednesday and Saturday. The pool is not open Wednesday nights and regular 7 to 9 night hours will be observed on Saturdays.

make our own democracy and our own institutions safe, and prevent our having to become an armed camp to protect ourselves against the godless and ruthless ideology which seeks to engulf the world. "These are the things that make Democrats proud."

Pat Holliday - Reporter.

**Additional Revenue Necessary**  
Notwithstanding major accomplishments made in the improvement and expansion of telephone service in our territory since the end of the war, our present revenue is not sufficient to give a reasonable rate of return on our plant investment.  
Telephones in service have increased about 14,900 during the period December 1, 1948, through April, 1950, requiring the installation of more than 40,000 telephones. Plant investment during the same period has increased more than \$4,600,000 with further increases for 1950 estimated at \$3,600,000.  
The new capital required to carry on this tremendous program must be secured from investors and our earnings must be maintained at a level to attract their investment.  
Our pay roll costs as well as cost of items we purchase have continued to increase.  
It has been necessary for the Company to petition the North Carolina Utilities Commission to authorize an increase in our exchange rates at the earliest possible date.
