

Bear Grass And Washington Win Two In Week-End Games

Two Top Teams Lost Sunday Tilts

Jamesville Gets Even Break On Gardner's Work

Only Two Changes In The Standings Made As Result Of Recent Play

The past week-end was a tough one for the two top teams in the Martin County League—Farm Life losing to Jamesville 4-1 and Robersonville dropping an 11-2 decision to the Everetts Cubs who moved into the first division on the strength of their victory and a double loss by Oak City.

The only other change in the standings saw the Washington Bees climb from last to sixth spot as a result of their victory over Jamesville Saturday night, 11-10, and over Williamston's Martins, 9-5, Sunday.

Jamesville wound up on the bottom but improved its percentage by taking the victory over Farm Life Sunday to balance off the close loss to the Bees on Saturday night. Slim Gardner won the game Sunday with a five-hitter to make it three in a row for him

ADD THREE

Three more players were added to the squad limit of Martin County League teams in the meeting of officials and directors last Thursday night. This means that each team can now carry 20 instead of 17 players on their active list. The list of players which is usually required by July 1 must now be filed with the secretary no later than Thursday of this week. It was the first meeting of the league in some time.

including the double victory over Everetts a week ago Sunday.

Bear Grass dropped Oak City in a seven-inning game Saturday night, 6-0, and then took an 8-3 decision Sunday at Bear Grass.

The Everetts Cubs went to work early and after pinning Ben Scott's ears back took the Robersonville Rams for an 11-2 ride, according to unofficial reports.

Garland Wynne pitched a 2-hitter for Bear Grass Saturday night against Oak City. There were two home runs in the Washington-Williamston con-

In order to give the teams more players to draw from when some of their men are out for various reasons, the league has voted to make the team roster 20 instead of the previous 17 and all names of players are to be turned in to Secretary Haek Gaylord by Thursday of this week.

BEAR GRASS 8, OAK CITY 3

The Bear Grass Bears used six doubles, two of them by J. C. Rawls, and eight singles to defeat Oak City's Roosters, 8 to 3, at Bear Grass Sunday afternoon. Williford of Bear Grass and Grady Moore of Oak City walked two men apiece. Moore led in strikeouts 10 to 5 but Williford was less liberal with hits and his mates gave him errorless support while Moore had shaky support. Oak City opened the game with one run in the first inning but Bear Grass came right back to count three tallies in the last of the first and had the game won when they scored a single run in the last of the second. Oak City tallied one run in the fourth and another in the fifth while Bear Grass got another run in the fifth, one in the sixth and 2 in the 8th.

Besides Rawls, other Bears hitting doubles were Smith, Perkins, Roebuck and Williford.

JAMESVILLE 4, FARM LIFE 1

With Slim Gardner pitching his third victory in a row, a neat five-hitter, Jamesville defeated the league-leading Farm Life team in Jamesville Sunday afternoon 4 to 1. Despite the loss, Farm Life held to its top spot by a few percentage points because the second place Rams of Robersonville also lost Sunday.

Jamesville has been playing in the field and at bat a pretty good brand of ball and with Gardner in good form they have picked up considerable prestige in the league of late. For a while Slim had difficulty getting by the 7th frame. He went the full nine Sunday and got errorless support.

Jamesville won the game with two runs in the first inning, added one in the fourth and one in the seventh. Farm Life's lone tally came in the sixth frame.

The Pause That Distresses

The lecturer was a celebrated doctor of law, and his talk was to be on "Fools." The chairman who was something of a wit, stood up to introduce him. "Ladies and gentlemen," he said, "we are now to have a lec-

"Ladies and gentlemen," he said. "I'm not half so big a fool as the chairman" — he paused, and again there was loud laughter — "wouldn't you suppose?"

What a stepper!

What a stopper!

What a looker!

Just hint to the gas pedal and she steps out like no other low-priced car. And that's true whether you're driving a Ford V-8 or "Six". But this high-stepper is a low spender when it comes to costs. You can own a V-8, for example, for hundreds less than most "Sixes"—and a Ford "Six" for even less.

This '50 Ford actually helps you apply the brakes. They're 35% easier-acting King-Size Brakes that use car momentum to help you stop. Like Ford's extra-rugged "Lifeguard" Body, they give you the kind of protection you'd expect only of costliest cars. And for added safety and comfort, you ride low and level in the "Mid Ship" section of the car, between the wheels—not over them. You're cradled in comfort on "Hydra-Coil" front springs and "Para-Flex" rear springs that give a road-hugging smoothness truly amazing.

Yes, again in '50, Ford received the Fashion Academy Gold Medal as "Fashion Car of the Year." And Ford's good looking because their baked-on finish is "made to live outdoors." That means high resale value which, together with Ford's low running costs, puts Ford further out front as America's savigest car.
