

Martins And Farm Life Win

Jamesville And Farm Life Only Teams In Action

Williamston Stops Bears on Tuesday Night, 5 to 4; Game Friday Night

Farm Life strengthened its hold on first place in the only game played yesterday afternoon in the Martin County League by defeating Jamesville 6 to 1 in a contest halted by rain about the 7th inning, while Williamston Martins advanced to the No. 6 spot in the standings by stopping Bear Grass in the Williamston park Tuesday night, 5 to 4.

The Martins were scheduled to play Washington here yesterday afternoon but the game was called off when rain interfered. Bear Grass' game at Oak City was called off earlier because of farm work as was the game between Everetts and Robersonville at Robersonville.

Although there is no definite announcement as to what teams are to play it is likely that there will be games in the Williamston park next week on both Tuesday and Friday nights as well as the regular scheduled games. Softball is played in the park on Monday and Thursday nights.

The league schedule calls for an end of regular season play on Wednesday, August 16 but it is doubtful if all the teams can get their games in by that time as there are many rained out tilts on the books.

At the present time, it appears that Farm Life and Robersonville are still the teams to beat in the loop with Bear Grass managing to stay right close on their heels.

Audie Murphy and Wanda Hendrix head the large cast of Universal International's Technicolor western, "Sierra," filmed in scenic southern Utah. The film's large supporting cast includes Burl Ives, America's Troubador, and Dean Jagger, 1949 "Oscar" winner for his outstanding supporting performance in "Twelve O'Clock High." The film shows at the Watts Theatre Sunday through Tuesday.

The Everetts Cubs and Oak City Roosters have been alternating at the number four and five spots in the standings for several weeks now but Washington and Williamston are still in the running for a place in the first division if they can get into the groove for any length of time.

Right now there is not a team in the league that has a sure thing over any other team when they meet on the diamond. This is an indication of the improved calibre of ball being played this year in the league.
