

# Project To Make Sewer Connection Available To All

(Continued from page one)

ty in North End around the Pentecostal Holiness Church and the Dr. J. S. Rhodes development, also Simmons Avenue and Halifax Street.

While the rate of interest cannot be determined just now, it is estimated that the sewer tax will support the interest and part of the principal. It was also pointed out that most of the town's current debt will be retired just about the time for the town to meet the new bond obligation without materially affecting the tax rate.

# Cites Record Of Achievements By Democratic Party

(Continued from page one)

gram, comparative figures show great gains in our farm economy.

Hogs were selling for only \$3.34 cwt in 1932. The average 1948 price was \$22.80. Corn was selling at only 29c a bushel in 1932. The average 1948 price was \$1.30. Tobacco was selling for only 10 1-2 cents a pound in 1932. The average price was 44c. Cotton was selling at only 6 1-2 cents a pound in 1932. The average 1948 price was 31c.

By last year 78.2 percent of the farms had electricity. When the Rural Electrification Administration was set up in 1935, only 11 percent of the farms had electric lights.

The present condition of our banks is an important barometer. On June 30, 1932, only \$35,484

millions were deposited in U. S. commercial banks. By June 30, 1949, deposits in banks had increased 288 percent to \$137,520 millions. In 1932, 1,453 banks failed with deposits totaling \$706 millions. None failed in 1948. From 1934 through 1948 the Federal Deposit Insurance Corporation spent \$266,976,000 to help 407 banks with deposits of \$522,678,000. A total of 12,922 commercial banks with assets of \$147,946,821,000 were insured by FDIC in 1948.

More Americans own homes than ever before—many assisted by housing programs put into effect by national Democratic Administrations to make home financing easier and cheaper, and to prevent foreclosure.

# Biblical Hebrew Official Speech in The Holy Land

(Continued from page one)

spoke it—a ritualistic "rabbinical Hebrew," heard and taught in the synagogues. Christ Jesus spoke Aramaic, but he lived in a bilingual region. Greek was the language of the marketplace.

Today a vigorous modern literature in Hebrew is growing—a poetry, biography, drama, novel, and short story.

A dead language has come to life. It is a deliberate, romantic, and religious revival unprecedented in history. Furthermore, as this language of 2,000 years ago becomes again a language of the people, which must serve as a vehicle for 20th-century ideas of modern politics and technology, it is bound to grow and expand, as do all living tongues.

# Fourteen Cases In County Court Monday Morning

(Continued from page one)

d with the costs, \$22.05.

Judgment was suspended upon the payment of the costs in the case in which Fred Wilson was charged with assaulting a female.

Pleading guilty of careless driving, Theodore George Warren was fined \$10 and required to pay the

# Population of Nation Is Over 150 Million Now

The Census Bureau has tentatively placed the population of Continental United States at 150,520,198 men, women and children, which is nearly 19,000,000 more than the total for 1940.

In the case charging them with assaults with deadly weapons, Linwood, Lawrence and Ernest Turner, Jr., and William V. Page were found not guilty.
