

Draft Delinquents Are Warned Of the Penalty

The Federal Bureau of Investigation is warning willful draft delinquents, who fail to respond to calls for pre-induction examinations, that they face possible prison terms and a \$10,000 fine. Anyone who has made "an honest mistake," however, should confer with his draft board immediately.

Play Started In Tennis Tourney

Three Matches Played Sunday On Local Courts

First Rounds Must Be Played Not Later Than Wednesday, Sept. 6th

Although the pairings were not completed until Saturday afternoon, three matches were played and a fourth started Sunday afternoon in the tennis tournament being sponsored by the Williamston Junior Chamber of Commerce and being played on the all-weather courts at the High School.

In the singles division there are 28 entries providing 14 matches in the opening round, seven in the second round, and so on down to the finals.

In the doubles there are 24 players entered, providing half a dozen matches. Two of these were settled Sunday afternoon, leaving four to go on the first round of doubles play.

The rules call for a player in the singles or a team in the doubles to win two of three sets in their match to advance. They must have a referee and all foot faults and net play regulations are to be counted. The Jaycees also are requesting that all persons on the courts when players or teams appear to play-off a match, vacate the courts in favor of those in match play. Youngsters are asked to play in the morning or early afternoon as much as possible but are eligible to play at any time when no one else is on the courts.

If those engaging in non-tournament play will give way to those desiring to play a tournament match it will save possible embarrassment caused by an official having to ask them to vacate.

The first round of the play-offs must be over by Wednesday, Sept. 6, 1950, so the second round may get started immediately. Anyone not having played their first round by that time will have to be dropped from the tournament.

In the first round doubles play Sunday Harvey Ross and his son, Jack, advanced by defeating the Goff brothers, Warren and Bobby, 6-1, 6-1. John Miller, Jr., and C. T. Roberson advanced by defeating Davis VanNortwick and Frank Weaver in a hard-fought match, 8-6, 2-6, 9-7. Guy Carrow and Ben Selby won the first set of their match with Wilbur Jackson and James Vann 6-4 but were behind on the second set, 4-2, when the match was halted by darkness.

The first singles match saw Julian Mason defeat Ben Selby 6-4, 6-2. No other singles matches were played Sunday.

List of referees include: Rush Bondurant, Jr., Asa Manning, Lee Reynolds, Davis VanNortwick, Junie Peel, Wilbur Jackson, Frank Weaver, Harvey Ross, Bill Spivey, J. C. Manning and Ben Selby.

Singles Pairings
No. 1 bracket: Guy Carrow vs. Marion Cobb, Wheeler Manning vs. Jack Ross, J. C. Manning, Sr., vs. Rush Bondurant, Sr., and William Everett vs. Bill Spivey. The No. 2 bracket: B. G. Stewart vs. Ned York, Lee Reynolds vs. C. T. Roberson, Wilbur Jackson, vs. John Miller, Jr., and Ben Selby vs. Julian Mason. (Won by Mason, 6-4, 6-2). Bracket No. 3: Jim Edens vs. Don Reynolds, Pritchard Lindsley vs. Warren Goff, Junie Peel vs. James Vann and Rush Bondurant vs. Frank Weaver. No. 4 bracket: Davis VanNortwick vs. Ernest Cox and Gloyd Stewart vs. James Bulluck.

Doubles Pairings
In the three brackets in doubles play this is the line-up:
First bracket: Junie Peel and Jim Lowry vs. William Everett and Dillon Cobb and Rush Bondurant, Sr., and Rush Bondurant, Jr., vs. Bill Spivey and James Manning. Second bracket: B. G. Stewart and Jim Edens vs. Lee Reynolds and Don Reynolds, and Davis VanNortwick and Frank Weaver vs. John Miller, Jr., and C. T. Roberson. (Miller and Roberson won this match, 8-6, 2-6, 9-7, Sunday.) Third bracket: James Vann and Wilbur Jackson vs. Ben Selby and Guy Carrow, and Warren Goff and Bobby Goff vs. Harvey Ross and Jack Ross. (The Ross team won Sunday, 6-1, 6-1).

There are three father-son entries and one brother team in the doubles.

The worth of the all-weather courts was demonstrated Sunday afternoon when a rain storm in the middle of the afternoon held up play little more than an hour. Clay courts would have been wet. Illness and previous engagements may make it difficult for some of the matches to get in under the first round deadline. A few could have been played Sunday except that those showing up for play found their opponents already tied up in other matches.

First of the Fine Cars in Value

Just how ~~much~~ little need a really fine car cost?

You'll find the answer written in the delivered price tags of this bold and strapping beauty pictured here.

It's a Buick ROADMASTER — and you have only to put yourself behind the wheel to see that it is truly fine by any yardstick.

But it leaves the factory carrying the lowest price per pound of any car in the fine-car field.

That means that the money that goes into its building goes for things that really count —

For a big, husky Fireball straight-eight engine of 152 hp and all the brilliance of performance the highways can handle —

room that measures up with the biggest, and for comfort contrived of deep soft seats and abundant space for taking it easy —

For a ride that's literally "out of this world," soft and easy as only all-coil springing can make it, yet firm and steady always, thanks to torque-tube drive —

For handling that is feather-light, for the complete smoothness of Dynaflo Drive as standard equipment, for a whole host of fine-car touches such as rich upholstery materials, flexible-spoke steering wheel, non-glare rear-view mirror, even automatic windshield washers, all included in the price.

Yes, the big question ROADMASTER answers is not how much a really fine car costs, but how little you need to pay to get all that a fine car can give

Drop in any time on your Buick dealer for a trial ride in a ROADMASTER — and the surprisingly happy news on its delivered prices.
