

Green Wave Rolls To Easy 47-0 Decision Over Vanceboro

Every Boy In Green Gets Into The Game

Heavier Boys Sent To Showers at The Half By Maynard

Long Runs and Improved Blocking Run Score To 34-0 In First Half

Scoring everytime it got the ball in the first half, the Williamston High School Green Wave rolled up 34 points in the first half against an outclassed Vanceboro eleven Friday night, then sent its heavier players to the showers while the lighter fellows took the field to run the final score to 47-0.

In piling up the score and 515 yards in rushing, the Green Wave employed both power and speed and displayed some of the best

FINALS

Bill Spivey who teamed with James Manning to win the doubles championship in the Jaycee Tennis Tournament will meet Junie Peel on Thursday afternoon at 3:30 to decide the championship in the singles division.

Spivey recently won over B. G. Stewart to reach the finals while Peel defeated James Bullock Sunday after Bullock had eliminated Don Reynolds.

blocking of the season as it broke runners loose on long runs and sent help down to see that they were safe all the way. It must be recognized that the caliber of the opposition was not up to what the

blockers have been facing to date but not even in practice have they looked as good as they did at spots Friday night.

Coach Stuart Maynard emptied the bench of all players during the game, even sending in one man who had joined the team only a few days ago. One of the boys who had been warming the bench all season, little Ben Andrews, got off two nice runs in the late stages of the game while another bench warmer, Jack Daniels grabbed a fumble just before the close of the fray.

Peppery Billy Spruill was the high scorer of the evening and also broke loose for the longest run of the night. He scored three touchdowns in runs of 73 yards, 31 yards and 1 yard. While he did not break into the scoring, Lindelle Ward came up with a 64-yard jaunt that carried the Green Wave from a precarious perch on its 1-foot line to deep in Vanceboro territory. Johnny Frank Allsbrook powered the first touchdown over from the 10-yard line after he and Ward, along with Russell Rogers, had moved it to that point after receiving the opening kickoff.

Besides serving as an escort to ward off a Vanceboro tackler on Spruill's long jaunt, Rogers made a fine sweep of right end to go 35 yards and score the second touchdown. Jack Gray got in for some action, also, and added a touchdown on a 15-yard sweep. Ben Andrews scored the final Williamston tally on a 39 yard end run.

While the use of all his players gave the boys much-needed competitive practice, it proved costly in the penalty department as the Green Wave drew 95 yards in penalties largely because of the eagerness of the youngsters to show what they could do. Vanceboro was able to get only 67 yards rushing and 14 yards on one pass completed out of 9 tries. Williamston tried but one pass and that was batted down by a defender.

Reginald Coltraine, Jack Edwards, George Harris and Leroy Peel were out because of injuries. Harris and Peel are out for the season but Edwards and Coltraine are expected to rejoin the team at a later date. Gloyd Stewart and Raymond Robertson started at ends, Norwood Keel and Jimmy Myers at tackles, Joe Robertson and Wilbur Edwards at guards, Jack Ross at center with Billy Spruill, Russell Rogers, David Davis and Johnny Frank Allsbrook in the backfield. Sammy Hopewell, Jerry Savage and Hugh Lindsley got in some service at the flank position while other linemen getting into the fray included Billy Allsbrook, Harrell Everett, Bobby Goff, Jack Daniels and Hubert Chesson. Jack Welch saw a lot of action at center. In the backfield where substitutions were made frequently, Lindelle Ward and Watson McKeel saw a lot of action while Jack Gray, Ben Andrews, Buddy Fussell, Travis Martin, Theodore Bowen, Edward Ward and Ward Perry got in for some action.

While they were out of their class, Vanceboro's scrappy little fellows never gave up, they chased every ball carrier for all they were worth and put all they had into their offensive efforts, Furney Powell, their quarterback being responsible for most of their yards on quarterback sneaks.

Opening the game Rogers returned Armand's kick 26 yards. Allsbrook plunged for a first down to the Vanceboro 44, Rogers got 8, Spruill 10 for another first down. Allsbrook picked up another 10 and after Rogers got 4, Allsbrook went over through the center. The point try was no good but the Green Wave defense held and forced Vanceboro to punt. Gray brought it back 15 yards to his own 38 where another offensive got underway. Gray and Allsbrook got 6 each, Gray 1, and Spruill 12 on a reverse. Powell was injured and went off the field. Allsbrook got two, then behind good blocking, Rogers swept right end for 35 and the TD. Rogers also went over the the extra point.

Putting the ball into play on their own 35, Vanceboro made a first down on runs by Toler and

GAY NINETIES

In the form of a Gay Nineties Revue, the Green Wave Football Band gave another good show at the half-time of the football game Friday night. In response to a question by one of the fans as to why they had not learned to play, "Goodnight Irene," the band broke out with that tune before the game, Professor Jack Butler remarking to bystanders that the youngsters had received the music for the number just that afternoon.

The band takes a rest this week-end but will be back on hand October 27 when Farmville travels here to meet the Green Wave.

Ormand but the offensive bogged down as the quarter ended and in the opening seconds of the second quarter Vanceboro kicked. Spruill broke loose on the first play from scrimmage to go 73 yards from his own 27 and score standing up. Allsbrook crossed the goal for the extra point.

The ensuing kickoff was returned by Hartley for 20 yards to the midfield stripe but the attack was crushed and the best kick of the night was reeled off by Hartley as the ball was stopped on the Williamston 1 foot line. Breaking through left tackle, Ward headed into the open with two Vanceboro safety men in pursuit. He was stopped on the Vanceboro 35. A 4 yard gain by Rogers moved it to the 31 and Spruill went the rest of the way on the next play. A plunge by Ward made the extra point and moved the score to 27-0. On the ensuing kick-off, Mac Whitford, the heaviest man on the visiting team, was injured and on the next series of plays Ormand's pass was intercepted by McKeel who picked up 15 yards before being stopped on the Vanceboro 15. Jack Gray went through right tackle for the touchdown and on a line buck, Ward made the extra point.

The half ended with Vanceboro their own 45 after picking up a first down on a penalty and a 6 yard run by Toler.

While most of the scoring was done in the first half, the action was more nearly even and just about as fast in the last two quarters. Sammy Hopewell's kick to open the third period went out of bounds and was brought back to the 40. Toler and Taylor made six yards on two plays then on fourth down Toler got a first down on a five-yard sprint. An 8 yards gain by Ormand and a penalty against Williamston added another first down but the ball went over on the Williamston 19 when Laughinghouse fumbled. Andrews got 5 on each of two runs but a 15-yard penalty set the Green Wave back and when McKeel got only 4 Martin went in to kick. It was good for 38 yards. Vanceboro, on a pass and runs by Taylor and Ormond picked up two first downs before the third quarter ended but the offense bogged down and Williamston took over on its own 26 on downs. McKeel picked up 4 and Bowen 9 for a first down on the 39. Williamston was penalized 15 yards but McKeel came up with a 29 yard gain to move the ball to the Vanceboro 46. Andrews added 1, McKeel's pass to Hopewell was deflected but he then ran for 15 which was offset by a penalty. Andrews chalked up 18 yards for a first down on the Vanceboro 29. Spruill drove for 11 and a first down on the 18. Ward got 4 and Vanceboro was offside to add 5. Spruill lost 1 but Andrews moved the ball to the 3. Ward picked up 2 and Spruill hit to his left to score. Ward ran the ball over for the extra point. A penalty gave Vanceboro a first down on their 35 as after a pass play had failed. Another penalty moved the ball to the 50. One pass was no good and the next one was intercepted by Buddy Fussell who returned it for 16 yards (according to official ruling) and Andrews on the first play from the 39 went all the way for the final touchdown.

After the kickoff, Jack Daniels recovered a Vanceboro fumble and Andrews picked up 18 yards and another first down on the Vanceboro 21. McKeel gained 9 yards in two tries as the game ended.

Friday night of this week the Green Wave travels to Hertford for a game which they must win if they are to remain in the conference race. Ashokie and Plymouth each have defeated Hertford, the Ashokie boys by 16-0 and the Plymouth team doing the trick by

Two Young White Men Linked With Everetts Robbery

(Continued from Page One)

members of the Stokes and Congleton firm. It was also reported that a large inventory of goods and other merchandise, believed to have been stolen, was found in the home.

According to the Kentucky officer, Murray and Foreman are wanted in Virginia, North and South Carolina, Georgia, Indiana and Kentucky and possibly in other states. It was intimated that there are sufficient charges against the two men to hold them in prison for ninety-nine years.

When the raid was made on the Ayers store in Everetts, the robbers carried away much merchandise in addition to bonds and other valuable papers. Johnny Mobley's filling station, Hardy's store and Wynne's soda shop were also entered and robbed the same night. The robbers were frightened away as they tried to break into Barnhill's station.

The sheriff's office in this county is fairly confident that the robbers handling the Everetts jobs were not the same one who operated later in Parmele where the safe of merchant J. H. Roebuck was stolen and cracked.

Three Injured In Recent Accidents On County Roads

(Continued from page one)

Walker, driving east on Highway 64 about one mile west of Robersonville, said he was blinded by the lights of another car and admitted driving on the wrong side of the road. The 1949 Mercury sedan, owned and driven by Simmons, was damaged about \$100, according to an estimate released by Patrolman B. W. Parker. The damage to Walker's car was also estimated at \$100. A hearing is scheduled in the case before Justice H. S. Everett in Robersonville Wednesday evening.

Approximately \$60 damage was done to Dewey Leggett's 1945 Ford pick-up truck when it was struck by a 1949 Ford truck driven by Raymond Lewis Phelps of Windsor near Bear Grass last Thursday evening about 7:00 o'clock. Jesse R. Biggs was driving the pick-up and had stopped to discharge a passenger when the Ford truck hit it and ripped off a right front fender. Patrolman M. F. Powers, making the investigation, said.

Driving on the Prison Camp Road Sunday afternoon at 2:20 o'clock from Highway 64, James Henry Jones lost control of his 1942 Chevrolet when the saddle support broke. The machine went off the right side of the road, skidded and turned over one and one-half times when the driver tried to pull it back into the road. Jones suffered a broken jaw and lacerations and bruises about the head. He was removed to a local hospital for treatment. Making the investigation, Patrolman J. T. Rowe estimated the property damage at \$400.

21-7 despite 95 yards lost in penalties. While Hertford has not looked too good this year they have good material and cannot be underrated once they find themselves.

Sunday afternoon at 3:55 o'clock, James Edward Coffield stopped his 1941 Plymouth before entering the hardware at Cross Roads. General Columbia Freeman, his hat seated on his head at an angle and a big cigar in his mouth, came up from behind in his 1941 Plymouth and plowed into the rear of the Coffield car, hurting no one but doing about \$15 damage to his and about \$25 damage to Coffield's car. Patrolman B. W. Parker and Deputy Raymond Rawls saw the accident and removed Freeman to jail.

Yesterday noon Mrs. David Pierce suffered a broken nose and small son was painfully skinned on the knees when the car in which they were riding with Mr. Pierce was in collision with the Blue Star Willis Jeep station wagon driven by David E. Simpson. The victims were treated in the Martin General Hospital. The accident took place at the intersection of the Ballard Bridge and Poplar Point Hamilton roads. Investigating the accident, Patrolman M. F. Powers estimated the damage to Pierce's 1940 Ford at \$75 and that to the station wagon at \$200.

Native Of County Died Saturday At Home in Beaufort

(Continued from page one)

spent most of his life there. He taught school in the county schools for several years, and studied at the University of North Carolina for a short while. Later he was engaged in the postal service, handling the duties of a carrier of old RFD 5, before it was consolidated. Thirteen years ago he moved to Beaufort County and engaged in farming until ill health forced his retirement.

In early life Mr. Peel married Miss Annie Elizabeth Roberson who died in 1939.

Surviving are three sons, Henry J. and Luther David Peel of the home, and James Asa Peel of Portsmouth, Va.; two daughters, Mrs. John H. Roberson and Mrs. William B. Lilley, both of Portsmouth; eight grandchildren and one great-grandchild.

He was a member of the Cedar Branch Baptist Church and funeral services were conducted there Sunday afternoon at 2:30 o'clock by his pastor, Rev. W. B. Harrington.

Native Of County Died Late Sunday In Wilson County

(Continued from page one)

stroke of paralysis suffered in September of last year.

The daughter of the late James Z. and Mary Jane Long Brown, she was born near Jamesville 75 years ago on September 8, 1875. After spending her early life at home, she taught school and while in Elm City she met and married Vernon C. Langley fifty-two years ago, later locating in Wilson where she lived until about a year ago when she went to make her home with her daughter.

She was a member of the First Methodist Church in Wilson for many years and her pastor will conduct the funeral service at her late home this afternoon at 3:00 o'clock. Interment will be in the family cemetery in Elm City.

Surviving besides her husband are two sons, Erwin Langley of Kinston and Carlyle Langley of Williamston; a daughter, Mrs. ton, assisted by the Rev. Mr. Johnson of Washington. Interment was in the old family plot in the Hardison Mill Cemetery.

Williamston Colored Team Defeats Winton Gridders

Paced by Henry Duell who ran 95 yards for one touchdown and set up another with a 76 yard jaunt, the Williamston Negro High School Tigers won a 24-0 victory over the C. S. Brown High team of Winton here last Friday afternoon. Two of the touchdowns resulted from quarterback sneaks while the other two came on pitch-out plays. Earold Joyner scored two and Harry Ewell added the fourth. Winton is reported to have brought along one of the best passers seen here this year, but he had no capable receivers.

Leon Griffin of St. Lewis, Wilson County; four grandchildren; one great grandson; one brother, Henry K. Brown of Washington, N. C.
