The House that
CONVICTION BUILT

When many people have the same conviction about a thing, they usually get together. They become members of a party, or a society, or a congregation.

Every Sunday in the churches of our community many people get together. They have the same conviction about God — they worship together.

When they worship, they offer thanks, they ask help. They sing to express their happiness. They listen to enrich their minds with the truth that comes from God. And before they bow their heads to receive final benediction, they give such gifts as they can to their Lord's work.

All of us have need for worship — it is a part of human nature and the divine will of God. So for your greatest benefit and happiness, choose a Church in this community — attend its services and join in its work. Make it YOUR CHURCH.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
