The Democrats of Williamston and vicinity listened Monday night to a magnificent presentation of the doctrines of the party by Secretary of State, J. Bryan Grimes, at the Court House. He exposed the perfidy of the Republican party both in State and Nation. The tariff question was handled with a clearness that comes from a thorough knowledge of a thing. For two hours Mr. Grimes held his audience and his statements were received enthusiastically. The people of Martin County always hear Secretary Grimes with pleasure, for after listening to him a man can know

Patrick Henry said, "Give me liberty or give me death." His descendants now just say "Gimme."
