Boy Scouts Report Their Activities

Troop 27

Mr. Matthews started our Scout meeting Tuesday by telling the boys about the training program at Camp Charles. The boys who went to Camp Charles were Joe Clayton, Wayne Pate, James Pittman and Tommy Cooke. Our Scoutmaster, Mr. Matthews, took them down and brought them back. All the boys had a very good time and enjoyed the trip thoroughly.

Mr. Matthews told us that we were going to get some paint and paint the Scout Hall.

It was announced that we would have a meeting of the Patrol leaders at Mr. Matthews' house on Wednesday afternoon. This will be called the Green Bar Patrol. At this meeting a program will be planned for the Scouts. The Patrol leaders planning to attend are Joe Clayton, Wayne Pate, Tommy Cooke and Dickie Clayton. The troop scribe, James Pittman, will also attend.

Mr. Matthews informed us that some of the boys had decided to quit the Scouts.

Mr. Matthews told us that we would be in another parade on November 10. This parade is going to be sponsored by the Legionnaires. The Scouts of two other counties will participate. These are Beaufort and Tyrell. He told us that we are to wear our uniforms to the next meeting.

We adjourned the meeting at 7:35.

Troop 29, Oct. 25

Troop No. 29 held their regular meeting on the night of Oct. 25, 1950. The minutes were read and approved, then the dues were collected. There was new and old business. Scout Hugh Lindsley gave a demonstration on how to fold the flag of the United States. Raymond Sisson was voted into the troop by a majority of the boys. Registration was awarded to Wade Bunting, Tommy Harris, Alex Jones, Jr., Douglas Jones, Sherwood Coltrain, John Dunn, Philip Coltrain and Billie Van-Nortwick. Hugh told us something on the United Nations. We closed the meeting with the Scoutmaster's Benediction.

Local Boy At Navy Center In California

Indoctrined into the traditions and color of Naval Life is Luther Grayson Ward, seaman recruit, USN, son of Rev. and Mrs. N. J. Ward of 415 North Haughton St., Williamston, N. C., who received his first military instruction at the Naval Training Center, San Diego, Calif., under the Navy's recruit training program.

At San Diego, the training is designed to benefit the recruit through personal experience and by academic lectures in such diversified subjects as signaling, navigation, gunnery, basic ordnance, Navy customs and terms, and seamanship.

Having completed recruit training successfully, he is ready for assignment to a Fleet unit on active duty, or enrollment as a stu-

dent at one of the Navy's specialized service schools for further training.

Announce Birth

SINCLAIR HUNTS OIL BY LAND, SEA AND AIR TO HELP SUPPLY

AERIAL PHOTOGRAPHY and reconnaissance are used to map geological structure of earth's surface in Sinclair's intensified search for new oil-bearing structures. It's part of Sinclair's \$150,000,000 expansion program to help meet today's record demand for petroleum products.

UNDER WATER exploration is yielding new, untapped oil reserves. Picture shows use of the gravity meter, one of the newer scientific tools employed by Sinclair to map subsurface formations.

SHOT HOLE drilling machine is used by Sinclair to drill holes for explosive charges, the effects of which are recorded by sensitive Seismograph to map underground formations as deep as 15,000 feet.
