

# Farmville's Red Devils To Invade Local Park Friday At 8:00

## Final Non-League Game of the Season

### Green Wave Has Several Players On Cripple List

### Joe and Raymond Robertson, Jack Ross and Harrell Everett Sidelined

The Red Devils of Farmville High School will invade the Williamston park tomorrow night to do battle with a crippled Green Wave eleven.

With Joe and Raymond Robertson and Harrell Everett sidelined with more or less serious injuries, the team added another yesterday when Jack Ross severely injured his nose in a practice session. The big center is not likely to see further action for some time.

To add to this, Jack Gray and Sammy Hopewell quit the team. Gray, a substitute back, enjoyed his best luck against Washington in the opening game. Hopewell had missed several games because of a tonsillectomy and finally put his uniform aside this week because of parental objections.

One the brighter side is the return of Wallace Warren to action. Warren stepped in last fall in the Farmville game when injuries had hampered the team, and helped to take the decision from the Red Devils on their own field. His top feat of that game came when he ran through the middle of the whole Farmville team to go all the way for the touchdown.

Reginald Coltrane, an end who injured an ankle in the Columbia game after catching a long pass, is scheduled to return to active duty and will likely start against Farmville Friday night. Johnny Frank Allsbrook, a power man in the backfield, is sure to see action in this game and it is possible he may be used at center in case the T-formation is used. Another stalwart in the line is available for

### "Justice Special" To Be Run From Rocky Mount

J. E. McDonald, district passenger agent of the Atlantic Coast Line Railroad, was in Williamston yesterday seeking to determine local interest in the proposed operation of a "Justice Special" from Rocky Mount to Washington, D. C., on Sunday November 12 when the Washington Red Skins and the Philadelphia Eagles play in Washington. Charlie Justice is playing with the Red Skins.

Mr. McDonald states that the cost will be \$13.95 including the ticket to the game. The train will leave Rocky Mount about 7 a. m. and return about 10 p. m. the same day. It will be made up of special coaches and two diners. Mr. McDonald conferred with Mayor Bob Cowen while here.

This game in Billy Allsbrook.

The Green Wave football band will appear at the game and give a half-time show. It is not known whether the Farmville band plans to accompany the Red Devils.

Since the Green Wave travels to Scotland Neck for a game on Friday night of next week, it is likely that Coach Stuart Maynard will rest his slightly injured boys as much as possible.

The tentative starting lineup as listed yesterday includes: Coltrane at left end, Wilbur Edwards at left tackle, Bobby Guff at left guard, Jack Welch at center, Norwood Keel at right guard, Jimmy Myers at right tackle, Gloyd Stewart at right end, Russell Rogers at left half, Billy Spruill at right half, David Davis at quarterback, and Lindelle Ward at fullback. Substitutes include Jerry Savage and Buddy Fussell at end, Billy Allsbrook at tackle and Jack Edwards, Wallace Warren, Johnny Allsbrook and Watson McKeel in the backfield.

Blocking remains one of the big problems of the Green Wave men. In only one game has the blocking been consistently good

## Jamesville All Stars Organize

Meeting Tuesday night in Jamesville, the Jamesville All Stars basketball team members organized their club for the coming season which opens on November 27.

The number of teams remaining in the Goober Belt League is indefinite at this time, it was stated.

Edward Earl Brown and Edward Lee Martin were elected as coaches for the new year with John Huff, new teacher in the Jamesville school, secretary and treasurer, and Henderson Mizelle, business manager.

The All Stars will sponsor a dance on Tuesday night, November 7, in the Jamesville gymnasium. Music for the dance will be furnished by John Piland and his orchestra from Scotland Neck. Admission will be \$1.50 per couple and 50c for spectators. Sandwiches and drinks will be sold at the dance by the Jamesville Woman's Club.

Those attending the All Stars organization meeting were Edward Lee Martin, Edward Earl Brown, Henderson Mizelle, Elwood Brown, Darwin McCafferty, Herbert Gardner, Jr., Albert Martin, Carroll Brown, Jr., Buck Reason, Spit Martin, Ernest Capps and John Huff.

Plymouth is reported to have also organized their club. This year and that when it was the Vanceboro contest when it was not so sorely needed.

After the game this week, three conference games in a row are in the schedule, Scotland Neck there and Ahoskie and Plymouth here. The Green Wave is favored to defeat Scotland Neck this year on the basis of their records, but local players and fans recall another year when Williamston was favored to take the Little Blues in Scotland Neck but took a licking instead, so form can't be relied upon too heavily. Ahoskie and Williamston should rate fairly even this year but Plymouth will have to be beaten to get the championship in the Albemarle Conference this year. They are definitely in the class of the loop at present.

## THE RECORD SPEAKS . . .

Motorists, unintentionally, to be sure, are out to set an all-time accident orgy in Martin County highways and streets this year. Already there have been thirty more accidents this year than were reported in the first 42 weeks of 1949.

The following tabulations offer a comparison of the accident trend: first, by corresponding weeks in this year and last and for each year to the present time.

42nd Week				
Accidents	Inj'd	Killed	Damage	
1950	6	4	0	\$1,200
1949	5	4	0	1,300
Comparisons To Date				
1950	133	58	3	\$29,565
1949	105	46	5	23,385

to be the largest for any year in the history of the market. The poundage trails the peak record established in 1947 by about two and one-half million pounds. But the tobacco, selling for an average of only \$49.19, grossed the farmers only \$5,026,962.37 that year.

Price averages, while still to be considered on the "high" side have been dwindling with the delivery of inferior grades and the purchase of tied-up scrap on the warehouse floors. The averages, despite that fact, have ranged well over fifty cents a pound.

## HIGH SCHOOL CAFETERIA LISTS MENU FOR THE WEEK

The menu being served at the Williamston High School Cafeteria this week (Oct. 23-27) includes:

**Monday:** Smothered pork chops, green peas, creamed potatoes, slaw, hot rolls, margarine, cookies, milk if desired.

**Tuesday:** Pork sausage, creamed sweet potatoes, cabbage, carrot sticks, bread, margarine, doughnuts, milk if desired.

**Wednesday:** Creamed chicken on dressing, green butterbeans, cranberry sauce, hot rolls, margarine, milk if desired.

**Thursday:** Macaroni, cheese and eggs, blackeyed peas, sliced tomatoes, cornbread, margarine, cherry pie. Milk if desired.

**Friday:** Baked ham, chopped buttered potatoes, collard greens, pickles, biscuit, margarine, milk if desired.

## Away From Home On Christmas Day

Signs reminiscent of World War II were cropping up all over the U. S. last week, but none was more poignant than the Christmas reminders in post offices and stores to "Mail Overseas Between October 15 and November 15." Many a GI was spending his first Christmas away from home and if it was his second that didn't make it any more pleasant. Actually, it looked like men in service were going to get a better break on Christmas mail than ever before. Families were buying Christmas cards in record quantities to send men in service and finding cards especially fitted to the situation. Almost as welcome to GIs were the stocks of Christmas cards in post exchanges which they could send back home. Trade sources noted that shipments had gone out early to both Berlin and Tokyo. All in all, it was an improved situation over 1942, they commented, because better preparation had been made. Christmas wouldn't be exactly "merry" in Korea, but at least the men in service would know the folks at home were thinking of them.

## Two Million In Federal Service

Civilian employment in the Defense Department increased by 88,372 during July and August, bringing to 839,521 the number of persons employed by the department as of August 30, according to the Byrd committee. Total civilian employment in the executive branch of the Government rose to 2,942,309 at the end of Au-

gust, passing the 2,000,000-mark for the first time since October, 1949.

Reaching for the top of the ladder of success cannot be achieved by waiting for the elevator.
