**ALMA MATER**

Two Latin words, rich in sentiment! To some they awaken memories of ivy-covered halls. But to many more they recall happy days in the old country schoolhouse.

Literally, they mean *fostering mother*. And that's what a school becomes, a third parent, preparing her children for life.

But all of us need to realize still another "fostering" parent, The Church—the earthly tutor who reveals to men the love of the *Heavenly Father*.

We never graduate from the Church! Sometimes we play hookey for a while. But sooner or later most of us discover that there is no substitute for the spiritual "upbringing" the Church provides.

And that discovery is the most thrilling *commencement* in life, for with it begins man's achievement of the highest goals in living.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
