

Esso Employees Have Thrift Fund

Employees of Standard Oil Company (New Jersey) and affiliates, including Esso Standard Oil Company, have accumulated \$83,636,000 in savings through a Thrift Plan made available to them by the Company. This was revealed in a report issued today by the Thrift Fund Trustees to employees taking part in the program. The report shows the status of the fund as of June 30.

Employees may put up to 10 percent of their earnings in the Thrift Plan, begun in 1936. To the employees' contributions the employer adds up to 3 percent of the participant's earnings, the amount depending on the participant's percentage of contribution. In addition the Company makes special contributions in years of favorable earnings. More than 40,000 employees are currently taking part in the plan which is entirely voluntary and open to employees of all ranks on the same terms.

Employees may withdraw part of their savings at six-month intervals and their total balances, including all of the employer's contributions, are turned over to them upon leaving the Company or to their heirs in the event of death. Participants in the plan may also use these savings for the purchase of Government Bonds, stock in the Company, hospital insurance, and paid-up life insurance policies, and as collateral for low-interest loans.

Through their Thrift Plan savings employees now own 258,000 shares of Co. stock bought at the market price at the time acquired and representing a total outlay of \$16,683,000. They also own paid-up insurance policies purchased at a cost of \$402,000. This insurance coverage is in addition to a program of survivor death benefits

Boy Scouts Report Their Activities

Troop 27
Since we were meeting on Halloween night the boys and Mr. Matthews, our Scoutmaster, decided beforehand to have a Halloween party. The mothers and fathers of the boys were invited to attend.

Before the party began Benny Taylor read a few verses from the Bible. After this Joe Clayton led us in the Scout Oath and the Scout Law. Joe also informed us that his meetings would start next Wednesday at 4 o'clock. Mr. Matthews informed us that the Green Bar Bill Patrol meeting will take place at his home Wednesday, November 1.

After this the party began with costume judging by the parents of the boys. The finalists were Tommy Cooke, who came as a hunchback, winner; Charles Lee Edwards, a pirate, second place; Wayne Pate, Henry Handy and Benny Taylor. Further entertainment was provided by Dickie Clayton and Herbert Ward who sang three selections for us. Following the singing the parents and the Scouts were served refreshments.

Two cakes donated by Mrs. R. H. Clayton, Jr. and Mrs. Susie Clark were left untouched after everyone had been served and they were auctioned off by Mr. C. D. Pittman. The money that was raised was put in the Scout Fund to be used to buy anything the troop may need.

The meeting was dismissed by having James Pittman repeat the "Scoutmaster's Benediction" and the boys humming "Taps".

James Pittman, scribe provided by the Company without cost to the employees, to low-cost group insurance, and to annuities, toward the cost of which the Company contributes substantial amounts.

The annual report to Thrift Plan participants just issued shows that payment to employees electing to withdraw part of their savings amounted to \$14,745,000 in the fiscal year up to June 30.

If everyone profited by his mistakes many would be able to pay dividends.

Although plans have not been completed it was reported that prizes would be given the winning contestants.

Anyone desiring to enter the show is asked to contact Mrs. Andrew Griffin, phone 2943-4.

HONORED ON BIRTHDAY

Donald Parsons was the honor guest at a party Halloween night when his mother, Mrs. R. T. Parsons entertained at the Woman's Club in celebration of his eighteenth birthday anniversary.

When the guests arrived, punch, cheese Ritz, nuts and candy were served. Later in the evening cake and ice cream were also served.

The Halloween motif was carried out. Dancing was enjoyed by the group after which Donald was presented many useful gifts. Approximately forty guests attended.

The hostess was assisted by Mrs. Pete Hall, Mrs. D. C. McLawhorn, Mrs. W. T. Ross and Mrs. E. M. Delamar.

HOT, FIERY GAS Stomach Like A Furnace

A Williamston man said recently that his stomach used to burn like a "gas factory!" That is, when he ate a meal it seemed to turn right into hot gas. He was always bloated, had gas pains daily. But now this man says he is FREE OF STOMACH GAS and he says the change is due to taking CERTA-VIN. His meals agree with him. CERTA-VIN is a new formula. Taken before meals it works with your food, expels the gas, and thus you get the fullest good out of your meals. It contains Ten Great Herbs, plus vitamin B and Iron. Besides relieving gas it also enriches the blood (with iron) and makes stronger nerves (with vitamin B.) Miserable people soon feel better all over. So don't go on suffering!
