vations there if you want them Facts doesn't deal in anything but facts.

Facts finds books a useful source of information, Mr. Marquis says, but the company's own files are even more useful. Whenever it takes more than three to er to answer a question he writes down the question and the answer, when he gets it, on a card and files it. The 22 Facts researchers are currently filing some 2,000 of the cards a week

"Answering questions is a fasexclaims, "because it keeps you abreast of what people are thinking about." For example, he recalls, last summer questions about Korea were most popular. But now the trend has changed. The most popular queries today are about color television and General FURNISHED ROOMS AND Eisenhower

ed on to settle a dispute over how Williamston, N. C. many toes a pig has per foot. The dispute arose on a radio quiz program, where a contestant was offered \$1,500 for answering correctdeclared wrong. A pig has three, declared the quiz master. Disgruntled, the contestant went home, looked it up in a dictionary, program sponsors when he found VICCAR - Sunday, Monday, Tuesday
