

News As Reported In The Enterprise Forty Years Ago

NOVEMBER 18, 1910

The residence of Mr. and Mrs. J. G. Barnhill, of Robersonville, was the scene of a pretty marriage on Wednesday evening when their sister, Miss Susan Virginia Everett, became the bride of Mr. Alonzo O. Roberson. The home had been tastefully decorated in cut flowers and potted plants. The east parlor being used to display the wedding gifts, the west parlor was used for the

impressive ceremony performed by Elder George Roberson. The bride attired in a tan messaline reception gown and carrying white chrysanthemums and ferns, entered the parlor attended by her maid of honor, Miss Ella Langley, of Greenville, wearing a creation of cream embroidered batiste. They were met at the improvised altar by the groom and his best man, Mr. J. Haywood Everett, brother of the bride, both attired in conventional black. After the ceremony the bridal party and a few friends were entertained at an informal reception at the beautiful new home of the groom on Academy Street.

The death of Mrs. Rosa Salisbury on last Tuesday put a gloom

over the town of Robersonville and community. She was an exceptional woman, and her many friends will miss her friendship. Mrs. E. V. Everett, of Robersonville, is on the sick list this week.

Miss Marie Appleby, of Robersonville, is on the sick list this week. J. A. Bryan, of Gold Point, was a visitor in Robersonville Tuesday.

Miss Clyde Tripp, of Robersonville, spent several days in Bonneron this week.

Mr. W. F. Parker and family have come here from Robersonville to live and the town is pleased to welcome them. Mr. Parker is employed at the buggy factory and will prove a valuable addition to the force there. The increased facilities for work called for additional men. The new managers of the factory are making things "hum."

Dr. and Mrs. J. H. Saunders are occupying the Leggett house just vacated by Mr. J. T. Thomas, who has removed for the season to Kentucky.

The wedding bells in these parts must be broken — they have ceased to ring.

Harry A. Biggs, accompanied by his mother and Mrs. John D. Biggs, attended the Aviation Meet at Raleigh this week.

On the night of November 4th, there was given at the house of Mr. J. A. Bennett, a most delightful birthday party in honor of the birthday of Mr. John T. Bennett. It was also in celebration of the birthdays of his two sisters, Virginia and Chloe, whose natal days were on the 3rd and 4th. Quite a large crowd was present and all

Wanda Hendrix is held captive by Audie Murphy and Dean Jagger in a lonely mountain cabin in this highlight scene from Universal-International's Technicolor western, "Sierra." The new film is Jagger's first screen appearance following his being named the best supporting actor of 1949 for his "Oscar" winning performance in "Twelve O'Clock High." Marco Theatre Thursday and Friday.

enjoyed themselves. About 11 o'clock all were ushered into the dining room where a bountiful table was spread with delicious

refreshments. After supper the occasion was enlivened with music by Misses Olivia Early and Era Rawls.

The head of the animal industry Department at State College has set a goal of two million acres of improved pasture to be seeded in North Carolina by 1952.

CARD OF THANKS

I would like to take this means of publicly expressing our sincere gratitude and appreciation to our families and friends for flowers and caring for my children and every act of kindness during my recent stay in the hospital. Your thoughtfulness will long be remembered.

Mrs. William H. Capps.

Peel and Peel, Attorneys at Law, Williamston, N. C. oc 26 no 2-9-16-23-30

Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B₁, B₂, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL, I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B₁, B₂, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B₁, B₂, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come in Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B₁, B₂, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful!

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B₁, B₂, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LaBlanc Corporation, Lafayette, Louisiana.

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000. That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and

bought a new one this year. But we're speaking here of new owners only.

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflo Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

might add that Buick prices are doubly attractive—since their list prices include many features primarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown comparison? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is. *Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.
