DUET AND ENCORE

They might not bring down the house at Carnegie Hall. But they'll win an encore at Vacation Bible School. There is the kind of singing in which spirit and enthusiasm count. When you're singing "Jesus Loves Me" a few flat notes don't matter. Even after these happy weeks at Vacation Bible School they won't be ready for a Metropolitan audition. But their young lives will be richer in the qualities that make for happiness and moral health. Our boys and girls deserve the opportunities which our churches offer them. They need the goodtimes and helpful training that have made Vacation Bible School an American tradition. Encourage your youngsters to attend!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
