

Jamesville Edges The Martins 40-38

Jamesville's All-Stars edged the Williamston Martins in Jamesville Saturday night, 40-38, to take their fourth victory without defeat in Goobar Belt play this season. It was the second loss for Williamston against a like number of wins. Both losses have been to Jamesville by close margins.

Spit Martin was high man for the winners as he scored 20 points to move his total for four games to 95. Edward Lee Martin followed with a dozen while Mizelle and Brewer scored 3 apiece and Gardner 2. Elwood Brown was best defensively for Jamesville.

Bobby Taylor was high man for Williamston as he poured in 12 points while David Carson was not far behind with 10 and Rush Bonduant scored 8. Jerry Forehand and Charles Sicoeloff each scored 4 points. It was a close contest all the way, Jamesville holding its widest margin at the half-way mark when the score was 23-18.

The game was played in the gym at Jamesville after being moved from the Williamston gym. It was a postponed game of December 7.

It Could Be Done, So He Did the Job

In a personal note to Bill Manning of The Enterprise, Josh Horn of Rocky Mount reveals his pride in the determination of the young man who handled the FM broadcast of the Williamston-Bessemmer City State Championship football game and tells of some of the difficulties faced by the lad—Ray Thompson. Thompson took over the job when the regular man was not available.

Telling about it the letter states: "x x x so Thompson went to Williamston, caught the enthusiasm of your community and sold the game.

"Then when he ordered the line from the phone company they said the service wasn't available and they had only limited phone service to Bessemmer City and knew they went nowhere near the school. Thompson then called the coach, principal or somebody and found that they had a line to his office, and he got permission to use the line for the duration of the game. Then the phone company, still indifferent, said that they were 4,000 feet from the field, and 'no soap.' Then he explored the use of our remote, purchase of a walkie talkie between field and superintendent's office and said he wanted the lease from the superintendent's office to the radio station. He then gathered in a mile of two span insulated wire and with the Sports Announcer and the janitor set out for Bessemmer City even though the phone people said he would have to cross streets with the wire, etc. But he finally got help from somebody who could climb poles and got a wire on the field, with the results it was broadcast."

Williamston fans, arriving early for the game, found the fellows out working on the line and noted the difficulties being surmounted. George Harris, Jr., quarterback of the Green Wave team until he sustained a shoulder injury, acted as spotter for the broadcast.

The Red Sea was important in Egyptian seaborne commerce as early as 2,000 B. C.

LOST: SATURDAY Afternoon between Alpha Cleaners and Cab stand, 1 pair of men's pants. Finder please return to Alpha Cleaners. Belong to Collin Smith.

NOTE OF THANKS
I wish to express my sincere appreciation to all those who were so thoughtful and kind to me during my recent illness.

Organization Furnishes Hospital Room

The S. P. M., Negro civic and social club, recently furnished the colored waiting room in Martin General Hospital here with costly furniture and equipment, the donation being one of the organization's good deeds that have been maintained annually since it was established in September, 1937. The formal presentation, pictured above, was made by the club president to Dan Sharpe, the hospital's administrator. Pictured left to right, standing: Mrs. W. V. Ormond, Mrs. W. C. Bunch, Mrs. J. H. Faulk, Mrs. G. T. Hyman, Mrs. N. W. Slade, Mrs. E. L. Owens, seated Mrs. Ruth Downing, Mrs. J. O. Buffalo, Mrs. J. Coffield, Mrs. L. M. Jackson, Mrs. C. D. Wooten, Miss E. V. McCloud, Mrs. A. C. Roberson, Mrs. J. M. Tyner, center, standing, Mr. Sharpe and Mrs. T. K. Slade.

A Christmas Prayer By Famous Poet

"Help us to remember rightly the birth of Jesus, that we may share in the song of the angels, the gladness of the shepherds, and the worship of the Wise men. Close the door of hate and open the window of love all over the world. Let kindness come with every gift and good desire with every greeting. Deliver us from evil by the blessing that Christ brings, and teach us to be merry with clean hearts. May the Christmas morning make us happy to be Thy children and Christmas evening bring us to our beds with grateful thoughts, forgiving and forgiven, for Jesus sake. Amen."
—Robert Louis Stevenson.

PRESENTS INTERESTING FACTS ABOUT NORTH CAROLINA

STATE HOSPITAL FOR THE INSANE
The North Carolina Hospital for the Insane is at Raleigh and is called "Dix Hill." The insane, a hundred years ago, were treated more like beasts than humans. They were confined in cells and dungeons or locked in cold, filthy rooms of poor-houses, but on March 5, 1856, seven years after its authorization, a hospital was established through the untiring efforts of Dorothea L. Dix. Miss Dix selected the site on which the Hospital stands.

'I Am Christmas'

I Am Christmas.
People tell me that my origin runs far back into a heathen festival.
My roots, they say, lie in pagan life.
So be it!
I accept the charge—and glory in it!
For my pagan practice has been redeemed at the touch of Christ. My heathen ancestry was never the same again once His Name and Spirit blessed it.
And such is my mission, always, to the soul.
I touch self-seeking, and it gives place to good will.
I touch the warlike plans of men and they hide their battlements with holly, knowing that they are out of harmony with His Spirit.
I touch hard faces, and make them tender.
I touch saddened children and make them laugh.
I touch the cynic, and give him faith.
I touch people like you—and they are not the same again.
I Am Christmas.
—P. R. HAYWARD, in Bulletin.

SINCLAIR DRILLS 2 MILES DEEP TO HELP MEET RECORD OIL DEMAND

2-MILE CORKSCREW. Drilling as deep as two miles into the earth, with ultra-modern equipment and new scientific methods, Sinclair is tapping new oil pools to help meet the record demand for petroleum products:
This intensified development of new crude oil sources is but a small part of Sinclair's \$150,000,000 expansion program. Sinclair's program also includes new pipelines and new, improved refining facilities. In the future as in the past, look to Sinclair for Better Products, Better Service.
