SHELL NEVER GRADUATE

This little girl is a "beginner." She has just entered the SCHOOL that will teach her HOW TO LIVE. She'll never graduate! No one ever does! For religious education is different from secular education. It has to fit its pupils for *living every day the very best way*. In such a course, there just isn't any point at which the pupil can be sure he has enough "learning" to put away his books. Therefore the Church Schools of our community provide classes for all ages. Every Sunday, while tiny tots are listening to Bible stories, grown-ups are studying the practical application of Bible truths in life. Religious education should be a family activity. Don't just send your children to Church School. Come with them. They need religious education because they must learn how to live. And you need it too, for life's richest possibilities are still ahead of you.

HOLY BIBLE

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
