

Governor Outlines Program for Town And City Streets

(Continued from page one) of North Carolina, as a whole, that he was advocating what he considered best for all the people. Highway Chairman Jordan addressed the group of more than 150 town and county officials in Ahoskie's municipal building. With the exception of a few

contrary remarks by a representative from Dare County, the meeting was harmonious, the group apparently wishing to do what was right and just and promote the progress of the State.

Martin County's representative, E. G. Anderson, making the trip down from Raleigh with the Governor, stated that the Powell bill apparently was not what was needed, that he would listen to the people and try to abide by their wishes.

Messrs. George McRorie, H. S. Everett and R. B. Nelson of Robersonville, Woodard Peel of Everett, J. W. Eubanks of Hassell, Henry S. Johnson of Hamilton, H. L. Reebuck of Cross Roads, Bill Harrison of Bear Grass, Mayor Robt. Cowen and Register of Deeds J. Sam Getsinger of Williamston attended the meeting from this county.

Committee hearings are being held in Raleigh today on the proposed legislation.

Bear Grass Girls Tie Ramlets 33-33 But Rams Win

Janie Cherry Ties Count In Last 45 Seconds on Foul Shot and Field Goal

Janie Cherry's foul shot and a follow up field goal during the last 45 seconds of play enabled the Bear Grass girls to tie the Robersonville girls at Bear Grass on Tuesday night but the Robersonville boys took their end of the twin bill 57 to 31. The girls' score was 33-33.

The visiting Robersonville girls held the lead at 10-8 at the close of the first quarter. Both teams added 9 in the second period for a 19-17 count, Robersonville in front. When the visitors scored 9 points in the third stanza to 5 for Bear Grass it looked like they had the game in the bag. But the Robersonville girls scored 11 in the final period and Robersonville only 5 to tie the count up. The Ramlets were ahead 33-30 with 45 seconds to go when Janie Cherry was fouled. She made the free throw and then added a field goal after the throw-in.

Lib Cherry was high scorer for Bear Grass with 18, Nalber Lee netted 8, Janie Cherry 7. Defensively Louise Moore and Pauline Bullock were leaders for Bear Grass. Patsy Roberson was top scorer for Robersonville with 15 and Peggy Roberson added 10. It was Sarah Smith and Jo Ann Keel on defense. The Ramlets were unusually accurate from the foul line as they made 13 out of 17 free shot chances to account for over a third of their total score.

The Robersonville boys took an early lead and never let up as they scored their second victory over the Bear Grass boys. They were in front 13-4 at the quarter, 29-17 at the half, 46-20 at the three-quarter mark and held that margin as each team scored 11 in the final frame.

Jimmy Terry was high scorer for Bear Grass with 15, Sammy Biggs, J. B. Rogerson and Roy Bennett each added 4 and Ben

Ward made 3. Alton Harrison and J. B. Rogerson were best on defense.

Scoring for Robersonville were Bobby Bullock with 21, Billy Green 17, and M. Cherry 13. Defensive leaders were R. H. Weaver and Billy Warren.

Bear Grass plays Farm Life at Bear Grass tomorrow night, on Tuesday travels to Jamesville and will be at home to Belvoir on March 2.

Those in the No. 1 positions will compete in the finals. Miss Bessie Harding, Mrs. Dan Kopp and W. H. Wagner will judge the finals in the high school here this evening at 8:00 o'clock and the public is invited to hear the speeches.

Continued Parity Price For Peanut Crop Is Doubtful

(Continued from page one)

ences between the peanut bill introduced by Rep. Cooley (D-N. C.) chairman of the House Agricultural Committee, and the Hoey bill

as follows: "The Cooley bill would increase the 1951 national peanut acreage allotment already announced by an additional 79,003 acres, plus whatever is required to increase the allotment for types in short supply. The Hoey bill would increase the 1951 allotment by only 34,900, plus the type adjustment. Also there is a slight difference between the two as to distribution of the acreage allotment among states and as to a permanent formula.

BOSSY IN THE HOUSE

Camden, Tenn. -- Since "Armer Reuben Barker can't milk and Mrs. Barker, who takes care of that chore had ben ill and couldn't go out in the terribly cold weather, Barker solved the problem by squeezing Bossy into the living room twice daily and Mrs. Barker carried on.

Bases In Alaska Are Strengthened

United States troops and bases in Alaska have been strengthened and alerted against possible sudden Russian attacks. Since the outbreak of the Korean war, troops in Alaska have engaged in an exhaustive series of training maneuvers. Practice blackouts and mock air raids have been held at all military outposts at regular intervals. The United Press, on January 15, published the following facts about our military strength in Alaska: 1. A huge new military base has been built in the Anchorage area. 2. A ring of radar stations has been established around the Alaska coast. 3. New airfields for fighter planes have been constructed along the coasts. 4. Troops have

been drilled on defensive tactics to be used against paratroop attacks. 5. All bases have been put on a modified alert since the beginning of the Korean war. It was also pointed out that many Russians were familiar with our Alaska airfields since they had visited them during the last war. American planes were delivered to the Russians in Alaska and from there they were flown to Siberia by Russian pilots.

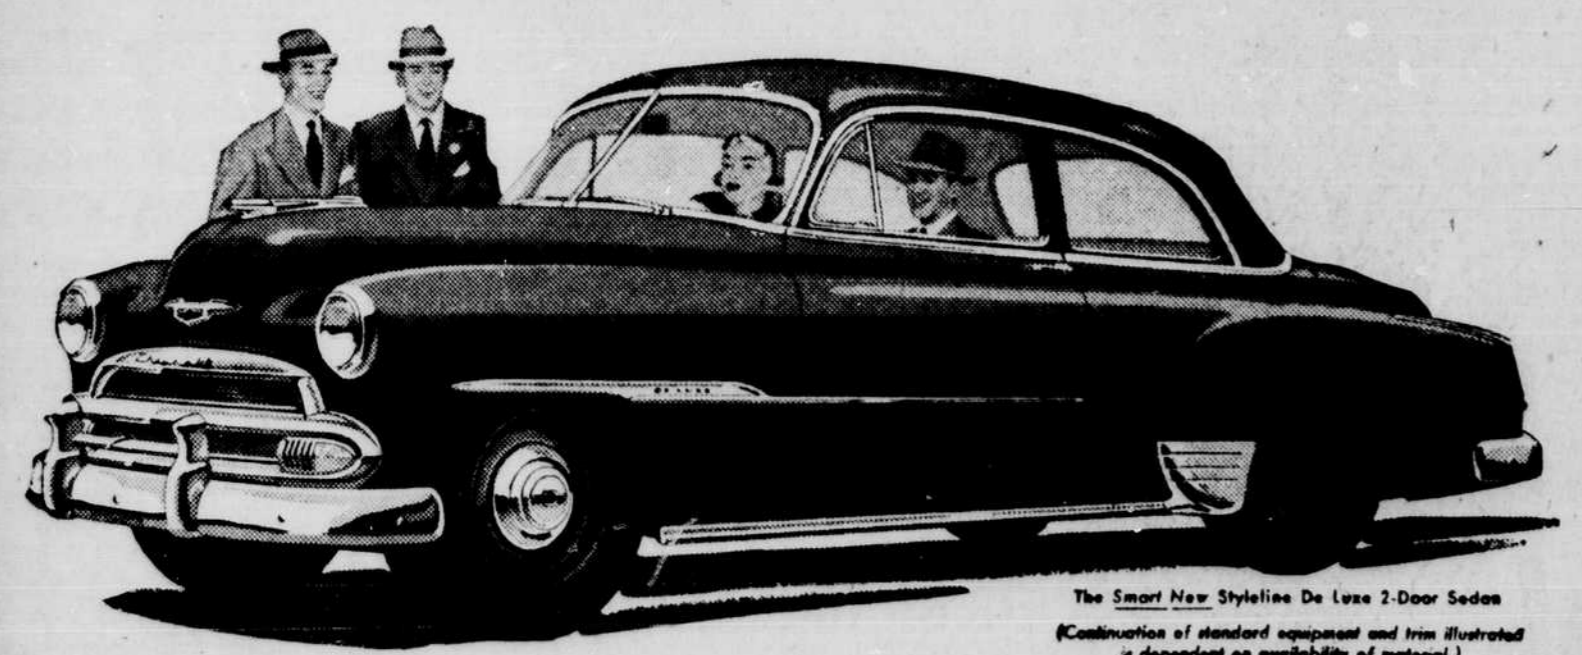

The world's record striped bass (rockfish) was landed in the Albenarle Sound near Edenton, N. C., in 1890. It was a 125-pounder taken in a net.
