

Fourth Quarter Pass Gives Rams 6-0 Win Friday

Jamesville Eleven Proves a Stubborn Foe In First 11-Man Game

Ta back Dan Clark passed 25 yards to left end Maurice Everett late in the fourth quarter last Friday afternoon to give Robersonville High's Rams a 6-0 victory over Jamesville on the Jamesville field.

Clark's pass climaxed a drive which started on the Jamesville 40 yard line after the losers were forced to kick from their own 10. After a return of seven yards by Sonny James, Clark passed to Everett to place the ball on the 27 yard marker. James then went through the center of the line for a first down and on the first play of the new series, Everett pulled in the touchdown pass.

Jamesville, a heavy underdog in pre-game predictions, outfought the favored Rams in losing their first eleven-man football game. Coach Bob Rawls' crew had less than two weeks of practice in preparation for the contest and some of the boys on his team had had only a few days of practice.

Guards William Taylor, a co-captain, and Dick Matthews led the winner's defensive play. Matthews recovered two important Jamesville fumbles to keep Coach Bob Lee's Rams in the game as Jamesville showed signs of threatening.

Quarterback Bobby Hardison and guard Joe Ray Waters led the

Jamesville defense. Hardison also led his team on offense, completing 2 of 3 passes for seven yards and leading the team with the ability of a veteran.

Jamesville led in the net yards rushing with 94 compared to 47 by Robersonville. Robersonville recovered four Jamesville fumbles.

Jamesville kicked off to start the game. Sonny James took the kickoff on his own 25 and carried to the 42 before he was stopped. On the first play from scrimmage, Robersonville fumbled with Johnny Modlin recovering for Jamesville.

The Terrors made a first down on runs by fullback Gene Williams good for 6 and 9 yards respectively. Horace Hardison fumbled on the next play and Lang Martin recovered for the Rams. Unable to make a first down in three tries, the Rams kicked. Williams fumbled the ball and Matthews recovered for Robersonville on the Jamesville 29. The ball went over on downs when the visitors could not gain and a fourth down pass, Clark to C. L. Crawford fell incomplete in the end zone.

After inconclusive battling for most of the second quarter, the Rams reached the Jamesville 24 before Williams intercepted a Clark pass. The half ended in a scoreless tie.

Neither team could get closer than the 25 yard line of their opponent in the third period although the Rams, who made that threat, controlled the ball most of the period.

The stage for the winning play was set at the beginning of the final quarter when Matthews recovered a Jamesville fumble on the home team's 10 to open the period. Billy Warren fumbled for Robersonville and Jamesville got possession again. Jamesville kicked out on fourth down and James took the kick on the Jamesville 40. The scoring plays followed. James attempted conversion was no good. Bobby Hardison intercepted a pass toward the close of the game and ran it back 30 yards to the Rams' 25 as the game ended.

Tracy and O'Brien Together in Film

After an off-the-screen association of thirty years, Spencer Tracy and Pat O'Brien are now appearing together in a motion picture for the first time.

Friends since childhood, the two actors have had remarkable careers. Since achieving Hollywood stardom, Tracy's association has consisted chiefly of weekly dinners for the Erin equivalent of auld lang syne. O'Brien worked at the M-G-M studios once before in "The Blonde Bombshell" with the late Jean Harlow. But that was before Tracy had been adopted by Leo.

Naturally enough, it took an Irishman to bring these two Irishmen together professionally. They make their joint appearance in a

fast-moving courtroom drama, "The People Against O'Hara," Sunday, Monday and Tuesday. When Tracy read the script, he saw a perfect opportunity for O'Brien in the role of Ricks, policeman extraordinaire. And when one Irishman makes up his mind about another Irishman, and it all concerns a third character by the name of O'Hara, the outcome is obvious.

Wanda Hendrix Has Cute Role

"Who's crazy?" Any girl can be in love with four men... that is in a motion picture. At least that's Wanda Hendrix's contention. And she ought to know.

The secret is that the four have to watch over her in order to avoid work. But she loves them all, nevertheless. This situation appears in "The

Admiral Was A Lady," the comedy with a load of laughs coming to the Viccar Theatre Wednesday. Co-starring Edmond O'Brien and Wanda Hendrix and featuring Rudy Valee, Johnny Sands, Steve Brodie, Dick Erdman and Hillary Brooke, the story tells of the efforts of four ex-GI's to keep from getting jobs.

Antimalarial drugs can now be derived in part from furfural, a by-product of the corn-cob industry.
