## THE RECORD SPEAKS ...

Figures in Martin County's highway accident record coninue to climb literally by leaps and bounds. Three more persons were hurt, one of them critically, in the latest highway wreckage of aim and attack. Speed is said to have figured in several if not most of the latest round of accidents.

The following tabulations offer a comparison of the accident trend; first, by corres ponding weeks in this year and last and for each year to ene present time.
