Every breath of

VICKS VAPORUB

IN STEAM

relieves croupy night coughs of colds

Special medicated steam brings soothing DEEP-ACTION RELIEF. Now those croupy, coughing spells that attack children without warning are relieved so fast with this home-proved treatment. Two healing essences of Vicks VapoRub in a vaporizer or bowl of boiling water as directed in package. It's easy, too... Your little one just breathes in the steam. Every breath carries VapoRub's relief-giving medications deep into troubled throat and large bronchial tubes. There this wonderful treatment medicates and soothes dry, irritated membranes, eases away coughing, helps restore normal breathing. And real comfort comes in no time at all!

For coughing spasms, upper bronchial congestion and that choked-up feeling caused by colds, there's nothing like using Vicks VapoRub in steam.

And always rub it on for continued relief. To insure continued action, always rub VapoRub on throat, chest and back. Works for hours — even while your child sleeps — to relieve distress. It's the best-known home remedy you can use when any cold strikes child or grown-up.
