As advertised in Harper's Bazaar!
It's Ours Alone!

designed in France . . .
adapted in America . . .
the bold-cut coat
by
Swansdown

From the clever fingers, the imaginative brain of Jacques Griffe comes this extravagantly handsome coat, interpreted by Swansdown for the American way-of-life, the American love for the perfectionist casual! Deep, deep armholes that feel so comfortable over suits . . . a wealth of fluffy fabric as buoyant as a fine winter's day! In a luxurious all wool fleece. Sizes 8 to 16.
