Jamesville Opens Cage Play Friday

The basketball teams of Jamesville High School will open their season play tomorrow night in the Jamesville gym when they meet the invading cagers of Aurora High from Beaufort County. The Jamesville boys should come up with another good team this season since they had a strong bench last season and their graduation losses are not expected to be too great a handicap.

Nothing is known here of the teams from Aurora which were strong last year and the Jamesville girls' strength will have to be gauged after it is seen how the reserves of last year do as first string performers this year.

The opening game will be at 7:30, the second contest to follow about 9:00.

Jamesville lost Bobby Lilley and Bobby Styons by graduation but still have such stalwarts as Wayne Beard, Ronnie Modlin, Bobby Waters, Bobby Hardison, Douglas Gardner and Bobby Rogers. Others are likely to move up this year also.
