CAGE GAMES

Games being played during the next few days by county teams who have listed their schedules with The Enterprise are listed below:

TUESDAY, Dec. 18

Elizabeth City at Williamston. Farm Life at Bear Grass.

Robersonville Gets Couple of Victories

The Robersonville teams won a doubleheader on their home court last Friday evening when they defeated the Farm Life teams by close scores. The girls won 42 to 35 but the boys had to stave off a last-quarter drive by Farm Life to get a 38-36 decision.

In the girls' game the score was tied at 11-all at the close of the first quarter but Robersonville began to hit in the second stanza to take a 28-19 lead at the half. The teams played on pretty even terms in the last half but the Robersonville girls were able to keep a safe lead. Peggy Roberson hit for 16 points and Faye Stevenson 12 to pace the winners while Lynette Coltrane was the leader for Farm Life with 15 points.

The Robersonville boys took an early lead and held on for a 24-18 half-time margin. Farm Life led in the last half scoring but could not make up the difference. Billy Warren paced Robersonville with 19 while David Gurganus was the defensive leader. James Hardison was top man for Farm Life with 12 and Earl Coltrane was listed as defensive leader.

The report of the games reached this department second-hand.

Starters For Girls Team Appear Set For First Game

Bailey, Roberson and Mobley Veterans Returning To Action on Court

With the boys' team just about set as to the starters, it appeared today that a starting six for the Williamston High School girls' basketball team was nearly ready. While neither the coach, Miss Jean DeWitt or assistant Grace Cutlipher, have announced a starting team for Tuesday evening's encounter with Elizabeth City in the Williamston gym, the following girls are expected to get the call on the basis of practice sessions through last week: Darnette Bailey, Dolly Wynne and Sarah Everett at forward and Priscilla Roberson, Jean Mobley and Wanda Jones at guard. Jean Mobley likely will see some action at a forward spot as well as at guard with Anne Peele likely replacing her at guard.

Dolly Wynne should help to make up the loss of height on the forward section when Edna Coltrane graduated last year. Bailey played at forward regularly last year and should be improved this year. It's going to take some action, probably several games to determine who keeps what position and how the team will shape up. There are plenty of candidates for all spots and the two coaches will be able to maneuver their talent around for a while.

Twenty boys remain out for the Green Wave five of Coach Carroll Blackerby but unless recent practices change the picture the starting five against the Elizabeth City Yellow Jackets will remain about as listed last week with the certainty that substitutions will be made frequently.

John Rogers and Harrell Everett likely will start at guard, Jack Ross at center, Watson McKeel and James Coltrane at forward.

\$28,000 in Dimes Helped Her

Arriving home after almost three years in the hospital, Mrs. Peggy Pinks is greeted by her husband, Sergeant James Pinks, and son, Michael, in Ross, Cal. Local March of Dimes chapter provided \$28,000 for her hospital care and is continuing to help. Last year, as in the past, four of every five polio victims needed and received help from the March of Dimes. January is March of Dimes month in nation.

Bethel's strength this season still has not been tested thoroughly. The games with Elizabeth City will be a one-night stand affair since Williamston is not going to return the game at the Pasquotank town.

The next game for Williamston will be a contest with Bear Grass in Williamston on January 4.

Margolis Brothers Hold Their Christmas Party

The Margolis brothers, Irving and Frank, entertained their employees and their husbands and wives to a delicious steak dinner at Chitlin Switch last Thursday night.

The special dining room was appropriately decorated by J. C. Coltrane, employee of the firm, and those attending the party stated that he did an excellent job. Real and genuine Christmas spirit prevailed throughout the evening and gifts were exchanged following the steak dinner.

Boss: "Shame on you. Do you know what we do with office boys who tell lies?"
Boy: "Yes, sir, when they get old enough the firm sends them out as salesmen."
