# THE CANDLE BURNS LOW

If candles were your only source of light, and this were your last candle, you would find little comfort in the glimmer of its dying light. When the candle burns low, darkness is too near.

Light has for centuries been a symbol of man's spiritual resources. But in the lives of some of us the candle is burning dangerously low... One bright Sunday—a month, or a year, or a decade ago—we felt sure of unlimited spiritual resources. Today we pause and wonder. In this frightening world faith flickers, and the rays of hope don't always penetrate the walls of despair.

The candle need not go out! With an urgency matching the seriousness of our lifetime, the Church calls us to replenish the Light of our lives. A new candle... deeper faith... braver courage... brighter hope... these await us each Sunday in Church.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
