

Speaks In Favor Of Truck Routes At Board Session

(Continued from Page One)

Property owners on Hyman, Broad and White Streets asked for curbing and surfaced streets. No lineal feet were mentioned, and the petition is being reviewed for clarification. The petitioners are to be advised that paving and guttering are handled on a 60-40 basis. Once the property owners sign with that understanding, the

petition will take its turn, the board ordered.

The board briefly discussed the location of a house owned by Joe Cherry. It was suggested that the house is on town property. But no action was taken until records can be checked.

A law suit is to be filed within the next few weeks in an effort to remedy the traffic hazard at the highway underpass on West Main Street.

The board approved a rat and mosquito control program during the coming months.

The officials discussed the advisability of prosecuting owners of hog pens within the town limits and those cases where there are

no sewer connections where lines are available.

The town is to widen the lower end of Halifax Street, the board ordering the dirt dumped in a ravine bordering North Haughton Street.

An eighteen-foot lane leading off North Haughton Street and connecting with Oak Street was offered to the town by the Rev. Tom Harris. Acceptance is being delayed until a deed is presented. During the meantime, the town is being asked to have a light installed on the street.

Late purchasers are to be penalized \$1 on town motor vehicle tags, in accordance with an ordinance previously passed. It is estimated that 150 persons have not purchased the tags for their vehicles.

THE BIG NEW FORD FOR '52

the greatest car ever built in the low-price field

- Never before has a low-priced car stepped so completely into the fine-car class! Never before has any low-priced car offered such great power as Ford's 110-h.p. high-compression V-8 . . . such new power as Ford's 101-h.p. high-compression Six. And this big new '52 Ford has lots more than power. It's wider, longer, lower, stronger! New Coachcraft Bodies are styled to stay beautiful and quality-built to stay young.

"Test Drive" this built-for-keeps Ford today.

Now! 110-h.p. High-Compression Strato-Star V-8

The most powerful engine ever built for a low-priced car. Both V-8 and Ford Six offer Automatic Power Pilot economy!

New 101-h.p. High-Compression Mileage Maker Six

It's an all-new, low-friction, high-compression powerhouse with new free-turning overhead valves and shorter strokes.

New Automatic Ride Control

Ford's wider front tread, lower center of gravity, diagonally-mounted rear shock absorbers, 3-inch longer rear springs and tailored-to-model front springs help take the bounce out of bumps . . . and the tilt out of turns.

New Easier Steering

Ford's new steering system splices steering up to 20% easier, parking a cinch. And now Power-Pivot clutch and brake pedals, suspended from above, work far easier, give you more foot room, and eliminate floor holes.

"Test Drive" the '52 FORD

Full-Circle Visibility Here's another Ford first in its class! Curved one-piece windshield . . . car-wide rear window . . . picture windows all around let you see in all directions. And Ford's new half-tight construction seals out water, dust, draft and noise.

White equipment, tires if available, and Fordomatic Drive optional at extra cost. Equipment, accessories and trim subject to change without notice.
