### Two Contests For Offices In County Developed So Far

(Continued from page one)

shown politics of any kind in this county. Candidates for governor, lieutenant governor and a few others have visited the county.

On the home front what little talk that has been heard of a political nature was centered around the race for representative. With a new contest for commissioner being shaped up, it is likely that politics will start warming up a bit ere long.

The county elections board members, Messrs. Carstarphen, Wade Vick of Robersonville, and Hassell Worsley of Oak City, are to meet in the court house Saturday morning at 11:00 o'clock, perfect their organization and name registrars and poll holders for the thirteen precincts. At least one registrar, Joe Lawrence Coltrane of Williams, has resigned, and it is not certain that all the others will continue to serve if reappointed.

### TEENAGE SQUARE DANCE

A square dance is being planned for the teen-agers at the recreation center in the Legion Hut on Wats Street Saturday night. Otho Willard and his band will furnish the music.
