Green Wave Drops 11-10 Decision To Plymouth's Team

Good Fielding of Visitors Helps Dampen Hitting Power Of Locals

On Monday afternoon of this week the Green Wave lost a close game to the Plymouth Panthers 11-10. The improved fielding of the Plymouth team was considered one of the main factors in the defeat as they literally robbed the Williamston boys of many would-be hits, had they not been alert.

Watson McKeel started on the mound for the Green Wave but gave way to Hyman Edwards in the 4th. In the 1st inning Plymouth got 5 runs on 5 hits and 2 walks to put them ahead to stay for the remainder of the game.

Leading the hitting for the Green Wave was shortstop Bobby Mobley with a double and a single in five trips and Dallas Wells with 2 singles in five trips.

Bateman and Lucas led Plymouth at the plate with 3 for 5 and 2 for 3 respectively.

The battery for Williamston was McKeel, (4) Edwards and Robertson. For Plymouth Riddle (7) Browning and Nash.

Cotton Committee To Meet In Rome

The International Cotton Advisory Committee is to hold its eleventh session in Rome, Italy, May 17 to 31, according to an announcement issued in Washington. The committee represents twenty-eight importing and exporting countries that account for eighty-seven percent of the nearly \$6,000,000,000 worth of cotton moving annually in world trade. The com-

TIP TO MOTORISTS

Tip to motorists: Don't push that law of averages too far when it comes to taking chances on the highways.

It is to spend much of its meeting considering a proposed international cotton agreement, looking toward the halting of periods of "extreme surplus and shortage" through international action.

Enlistments Are Extended Again

The enlistments of some 125,000 persons in the armed forces—those whose regular terms are due to expire in the year beginning July 1—have been extended for an additional nine months. The rule covers all volunteers in the army, air force, navy and marine except Selective Service registrants who enlisted for twenty-four months instead of awaiting induction. By services, the affected groups consists of 60,500 in the army, 25,000 air force, 35,000 navy and 4,500 marines.

The Defense department said not all the men will be required to serve the full period of extension, but that none will be kept on duty longer than is absolutely necessary. The extension was ordered under the terms of an executive order signed by President Truman. It applies to all components of the armed forces, including the reserves and the national guard, whether the men are on active duty or not.

Unemployment Insurance Fund At A High Figure

Unemployment insurance reserve funds have risen to a new high, due to the general high employment throughout the nation, according to a Government report. The Bureau of Employment Security reports that the indicated reserve, as of the year's end, was \$7,800,000,000. That was an increase of \$191,000,000 in the last quarter of the year.

Dubious Value Surrounds Pay Out \$1,328,000,000 For Fire Losses Last Year

The purchasing value of the dollar was 56.6 cents for March, with the dollar of January, 1939 equalling 100 cents, as consumers' prices rose 0.2 per cent from February to March, according to the National Industrial Conference Board.

Losses paid by capital stock fire insurance companies during 1951 were more than thirty per cent greater than for 1950. Companies paid \$1,328,000,000 for losses suffered under various kinds of insurance written by the fire companies.
