

out ef its yourn?

bunch of ther Public git ham-state of Vaginny. And thay nominal cost.

strung by a nuther bunch of ther public, and ther crowd that thinks thay air ther down-trod bunch, air all up in arms fer ther Govment to step in and hep 'em git thay claims, makes no diffence whether iner Gozment wud hav to do it by price-control, or antimonoply control, or what ever Homemakers who are buying kind of control it wud take to do materials this fall for home sewthem thats bein hilt under ting of coats, dresses, suits, etc.

pressur, by them thats got big should check for pre-shrinkage enuf to screw down ther press, air Ef you don't know whos Ox is shore in faver of Govment conbein gored, hadnt you better hold trol, at least twell thay gits out market is ready for sewing, but frum under ther pressur. Take you should certainly want to have your judgment twell you finds North Calinys car-gas buyers to this information by asking this There lots of hues and cries Scotts committy has found out that shrunk? mongst lots of folks bout ther car-gas is costin ther N-Cers 2 Govment dabblin in Privat Enter- milyun \$ a year more of thay buy

You may pre-shrink material by steaming and pressing. Tailors prise, and Privat Bizness, and Pri- in thay own state, than it wud or dry cleaning establishments vat enything. But jest let sum cost ef thay was to buy it in ther will pre-shrink material for a

Don't forget to ask this ques tion, too, of you are buying woolen material: "Has this material been treated so it will repel moths?" This treatment is some-

thing new and can be purchased. Test material for color fastness. Place a small sample of material in a glass of warm water. Shake it a few times-let stand from 3 to 5 minutes. If water becomes discolored by dye, remember to wash the garment alone-and better still, don't wash even alone. Dry cleaning is best if your gar- ville doesn't mess when it comes ment holds its permanent color.

wants ther Govment to step in and see How-Cum, and to conther meddlin is good fer Mr As limb of the human body. pocket? But what wud ther gas

thys say pour that down.on medlin that want so good fer thay pocket? Aint lots of folks in favor of ther Govment meddlin in ther Tellyfone Industry by hepoin em git a phone line when ther industry wont put 'em in one? And aint lots of folks in favor of Govment REA; caus ther industry wont put 'em in a light-line? And when ther Industry charges air all outa whack, aint folks intowns and out, 100% fer sum Govment meddlin that'll giv 'em reasonable rates? But when ther govment puts in a water-dam crost one thay own rivers sos to do sumthin ther people wants and cant git at reasonable rates, them Privat industrys air sho on ther rampage over ther Govments takn keer of its ginral public. Don't it look lak ef ther Govment dont meddle with ther ways of Mernoperlized necessities, and lookin out fer ther good of them thats too little in power to look out fer thay selfs, thar aint no need fer Govment? Then what them powerful combines wud do fer ther ginral public, mout be too terrible to talk over. A land-lord of a tenna-ment house mout not like ther Govment in ther housin bizness, and waid cast his one vote ginst it. But all them 40-50 pa tenants wud lak it purty-good,

and that wud mean 40-50 votes ginst ther land-lords one. And

Look what

Willys makes

Jul Jashiviuu

Just compare the Aero Willys with the others and you'll see how far Willys, using aero and auto engineering, has advanced car design. To get the new things now-not next year-see the Aero Willys before you buy. Three beautiful models-Aero-Ace, Aero-Wing and Aero-Lark. Come in today!

THE OLD WAY-putging hood hides the road ahead and you can see only the left fender.

THE WILLYS WAY-Down-swept nood shows road just 10 feet ahead. You all 4 fenders.

THE OLD WAY-Old-type construction limits interior space, so seate must be made narrower.

THE WILLYS WAY-Aero came construction for more usable space ... 61-inch-wide seating, both sears.

THE OLD WAY-Gas filler cap on fender...unhandy to reach from far side . . . unsightly.

THE WILL . WAY - Gas filler cap near center at rear . . . easy to reach from either side of car.

THE WILLYS WAY-Less weight per horse-power for fleet pickup and sensational mileage.
