ARMISTICE DAY

Apparently having jost its full meaning, Armistice Day, marking the end of World War I, will have no formal observance in this immediate area next Tuesday.

However, the day will be observed as a holiday by federal offices, including the post office, P.-M. A. and farm agents' offices, the banks, and the tobacco market. There'll be no town or rural mail deliveries that day.

Tebacco sales will be resumed next Wednesday, it was announced.

STORAGE The Peanut Growers Cooperative will open for business in the Carolina warehouse here next Monday for the storage of peanuts under the government loan program. Messre Leman Barnhill and S. Claud

Griffin will manage the business, and they will be glad to answer all inquiries and explain the storage plan.

During the meantime the peanut crop is moving rapidly on the open market. It is estimated that one-third of the crop in this county has been sold, and that some receiving stations are running several days behind in handling their purchases.
