## A Busy Man Is This Town Official and Fireman

Alfred, N. Y.—John Gorton was a busy man one night recently. As a member of the village board, he was attending a board meeting at the firemen's hall. As an ambulance driver, Gorton raced to an accident scene, picked up a man who suffered minor injuries and took him to a hospital. As a citizen, Gorton went home to bed.

## Edwards Named Colored Chairman

The appointment of R. M. Edwards as chairman of the colored division of the 1953 March of Dimes, which begins January 2, was announced today by W. Marvin Baker and L. Bruce Wynne, co-directors of the campaign in Martin County.

Other committees and their chairmen for the campaign sponsored in this county by the Williamston Lions and Kiwanis Clubs will be announced next week the two directors reported.

The ranks are wide open for 1953 March of Dimes volunteers. Mr. Baker and Mr. Wynne said today in discussing plans for what they described as the most vital polio drive in history.

"A look at the record will show," they said, "why we need all the help we can get. By the end of 1952 the nation had suffered more than 55,000 cases of infantile paralysis—the highest polio incidence ever reported."

They said that the number of volunteers mustered into the campaign would have to be increased in the same proportion that polio has widened its impact across the nation. The directors asked all who want to "sign on" as March of Dimes hands to contact them at telephone 2120.
