

Several Hundred Bags Are Stolen In Recent Weeks

(Continued From Page One) truck door and officers went to his home near Cedar Landing in Bertie and brought him here for questioning. Another Bertie man, believed not involved directly in the case but who apparently served as an innocent intermediary, was questioned, and other arrests followed.

Oscar Burnette, another local colored man, was arrested in or near Hamilton yesterday shortly before noon and placed in jail. No hearing was arranged for him immediately, but preliminary reports coming from the police indicate he'll be asked to arrange bond in the sum of \$2,500, the same amount asked of Williams and Brown.

Officers, withholding information pending other arrests, state they are gradually unravelling the case and that they believe they are on the track of some of the missing peanuts.
