

Green Waves Take Two Friday From Oak City's Teams

Girls' Game A Low-Scoring Affair; Junior Varsity Features Boys' Tilt

In one of the lowest scoring games of the season hereabouts, the Williamston girls won their second game of the season last Friday night in the local gym by defeating Oak City 28-22 and the Williamston boys romped to their eighth victory in a row as the first strong played the first quarter and then turned the job over to substitutes who wound up with a 54-36 decision.

The girls' game was largely a defensive affair with the guards of both teams doing good work. The game moved rapidly so that the boys' game was started earlier than usual.

COMING UP

Williamston travels to Plymouth tonight to play return games with the Panthers but on Friday night one of the oldest rivalries in the county will be resumed as Jamesville's Red Terrors come to Williamston for return games.

Bear Grass plays at Oak City tonight and then in the Grimesland home gym Friday night.

Robersonville goes to Ayden tonight and will be home Friday night against Farmville.

Thursday night in the gym at Jamesville the Jamesville All-Stars will meet the Plymouth All-Stars at 8:00 p. m.

The score by quarters, girls:
Oak City 8 4 5 5-22
Williamston 11 4 7 6-22
Oak City players: Peggy Lilley, Gladys Manning, Shirley Bryant, Irene Purvis, Shirley Turn-

er 6, Shirley Leggett 3, C. Hutchinson, Patsy Barrett, Lela Hollis, Sue Edmondson, Pat McLawhorn, Shirley Rawls, Lucy Bullock, Glynn Stevenson, Dorothy Hollis. Williamston: Mary Hopkins 11, Betty Helen Mobley, Patricia Wynn 10, Sylvia Perry, Sarah Everett 1, Jeanie Hardison 6, Wanda Jones, Ann Peele, Geraldine Ward.

In the girls game, Oak City got the first score as Shirley Bryant, a small but speedy forward, dropped a goal at 7.4 after missing a foul shot. Mary Hopkins matched this with a goal at 7.3 and Hopkins and Sarah Everett hit on foul shots at 4.0 and 4.4 respectively to break the tie. A basket by Pat Wynn at 4.2 gave Williamston a four-point lead at 6-2, Wynn missed two foul shots but dropped in a field goal at 3.5 to stretch the lead to six points. Shirley Turner and Hopkins matched foul shots and Shirley Turner cut the margin to five points with a basket at 2.7 and added a foulshot at 1.5. Goals by Wynn and Peggy Lilley left the margin at 3 points for the quarter, the score 11-8.

Bryant scored early in the second quarter to cut the Green Wave lead to a single point but Hopkins pulled it back again to 3, goals by Lilley and Hopkins closed the half to leave the margin at 3 points, 15-12 for Williamston. Starting the final half, Jeanie Hardison and Wynn scored for the Green Wave to make it 19-12 for Williamston at 4.4. Lilley and Turner hit for Oak City to cut the margin to 3. Hardison scored a goal and Lilley a foul shot to make it 21-17 but Lilley fouled out with 15 seconds to go and Hardison made the free throw to move the score to 22-17 at the end of the third quarter.

Although the ball was moved a lot the scoring was still slow in the final quarter. A foul shot by Hardison, a goal and foul shot by Hopkins and a basket by Wynn closed out the scoring for Williamston at 28-22. In the meantime Shirley Leggett had moved from guard to forward and scored a goal and foul shot for Oak City and Turner dropped in a basket to close out the visitors' attack.

Oak City's girls are reported to have had very little or no organized practice and this undoubtedly had its effect on their play. The Williamston team also appears to be suffering from some confusion as well as lack of full practice. This condition has been brought about by illness of the team

SPECIAL EVENT

A special benefit program to raise funds for new basketball suits is being planned for the Jamesville gym tomorrow (Wednesday) evening. It was announced yesterday.

At 7:30 the women of the town will play the high school girls in a basketball game and about 9:00 the older men of the town will meet the boys of the 8th Grade in basketball. Between the game a special stunt will be presented.

Coach Bob Rawls of the girls' team is in charge of arrangements.

members but may possibly be affected by attitudes as well as illnesses. Both girls' teams appear to have players who perform well as individuals but they are not winning as teams which is regarded as the aim of the game.

Score by quarters, boys:
Oak City 6 12 12 6-36
Williamston 20 11 8 15-54

Oak City players: Mack Edmondson 4, Wade Hinson 1, Hackney High 15, Bobby Leggett, C. W. Manning 1, Johnny Latham, Frank Weaver 2, Ramsey 2, Everett Purvis 4, Billy Etheridge 7, Williamston: Harrell Everett 9, Gerald Griffin 10, Herbie Ward 6, Billy Harris 2, John Dunn 3, Eddie Hardison 2, Rodney Lilley 6, Bobby Perry 4, Alvan Hardison, Leary Forehand 6, Jacob Zemon 2, Paul Harrington 4.

In the boys game Williamston started with Harrell Everett, Bobby Perry, Eddie Hardison, Jacob Zemon and Billy Harris. Two of the regular starters: James Perry and Bobby Mobley were still recovering from attacks of influenza. Oak City started Frank Weaver, C. W. Manning, Everett Purvis Hackney High and Mack Edmondson but near the middle of the first period little Billy Etheridge went in for the visitors and played a good game. A foul shot by C. W. Manning a few seconds after the start of the game gave Oak City the first score but Jacob Zemon hit for Williamston on a set at 7.5. Harrell Everett followed with a foul shot at 6.7, Billy Harris dropped in one, Everett hit on successive baskets, Bobby Perry dropped in one and a foul shot by Rodney Lilley made it 11-1 for Williamston. Billy Etheridge on a foul shot but Lilley matched it for the Green Wave at 3.0 High hit for Oak City and Lilley made another foul shot which was followed by a goal by Harrell Everett. Weaver dropped a foul shot at 1.5 but Everett and Perry made two baskets for Williamston. Everett Purvis hit from the foul line for Oak City to make it 20-6 at the quarter, a 14-point bulge for the Green Wave. The second quarter saw reserves taking over for Williamston and the visitors were using new men too as the pace was a swift one. Oak City scored three points to make it 20-9 before Lilley hit for Williamston on a foul shot at 5.1 to go. C. W. Manning matched the foul shot for Oak City but Williamston's second stringers were catching on. Paul Harrington scored a couple of neat goals and Gerald Griffin came in with a shot to put the count at 27-10 and relieve the first stringers of any doubt as to their staying on the bench. High got a basket for Oak City and Hinson a foul shot at 2.1 but at 1.7 Lilley hit for the locals. Edmondson and High hit on successive shots for the visitors but Griffin came back with a goal for Williamston. High's foul shot with 5 seconds to go closed the first half scoring, 31-18, Williamston.

Starting the second half Coach Carroll Blackerby went deeper on the Williamston bench. Gerald Griffin dropped in two foul shots

to open the quarter but Oak City began to move against the less-experienced boys. A goal by Edmondson, a goal and foul shot by Etheridge, a foul shot by Purvis, another goal by Etheridge and foul shots by High and Etheridge moved the score to 33-28, a five-point spread for Williamston and the boys on the bench grew restless. At this point Leary Forehand, who had almost made several baskets, dropped in one and Herbie Ward hit on a set from the forecourt. Purvis hit for Oak City but Ward countered with another push shot for Williamston and it became apparent the youngsters would be able to carry the load all the way. The quarter ended, 39-30 for Williamston.

Opening the final quarter Ward switched to a jump shot and hit after a minute of play to make it 41-30. High tallied for the visitors but Forehand matched it. Ramsey scored for Oak City at 5.6 but at 5.5 Eddie Hardison dropped in two foul shots to match the goal. Forehand hit again at 4.4, Griffin made two foul shots at 3.5, John Dunn dropped in a basket at 2.2. Griffin followed with one at 2.2. High scored Oak City's final point on a goal at 35 seconds to go and John Dunn closed the action for Williamston when he made one of two free throws with 3 seconds to go. The final score, Williamston 54, Oak City 36.

One of the most hopeful signs in the boys' game was the ball handling of the reserves. It gives Williamston promise of reserve power this year and hopes of good teams for a couple of years, at least.

These Cleaning Facts Will Save You Money

Choose your cleaner as carefully as you choose your doctor, lawyer, mechanic, butcher—or any one of the specialized tradesmen or professionals necessary to 20th century civilized living.

A good cleaner will save you as much as \$150 per year in avoidable damage to and preventable deterioration of your family wardrobe and other household fabrics. But you must cooperate on these important points:

1. Buy well. Buy only the things which your merchant can assure you will be serviceable. No cleaner can improve on the original quality.
 2. Clean all stained garments as soon as possible. Age, grime and stains are a ruinous combination to fabrics and dyes. And 100 cleanings, by laboratory test, cause less wear and deterioration than one week of imbedded soil.
 3. Some things are better wet-cleaned. Some require both treatments, depending on conditions. This is one of the most vital reasons for choosing a good cleaner. All cleanings begin with diagnosis.
 4. Ask for the extra services which professional cleaners can give you. They'll add months of life to expensive fabrics. Sizing, rolling of sleeves, pre-shrinking—or just plain old advice.
- Practice these suggestions, and use the services of a good cleaner. One who uses fresh solvents, filtered regularly. Who knows his fabrics, stains, and dyes. Who uses the right digesters. And the correct finishing procedures. You'll save.
