

Problem Of Time Solved By Free Ride for Pigeons

Binghamton, N. Y. — The problem of how to keep pigeons, roosting on the courthouse clock hands, from slowing down the time has been solved. Officials are buying new electrical works which are guaranteed to keep time—even with the pigeon passengers.

Five Accidents In County During the Past Several Days

(Continued from Page One) was estimated at \$250. Peele's equipment was old and out of date but he had been making a living in his shop. Chief Roebuck said, but it was indicated he is now almost out of business. The car was coming into Williamston on route 17 when the accident occurred. It was reported that one or two cars were ditched and some ran into minor difficulties but the incidents were not of proportions to be reported as accidents. Soybean shucks fed to cattle as roughage prior to turning out to graze on lush new growth of clover is a good precaution against bloat.
