

Proclaim Mothers March On Polio

Mayor Robt. Cowen, has proclaimed Friday, Jan. 29, as Mothers' March on Polio Day in Williamston.

Text of the Mayor's proclamation follows: Whereas, Friday, January 29, has been designated as the date for the Mothers' March on Polio, which will climax the 1954 March of Dimes, and,

Whereas, the cumulative effect of the past five years of record polio incidence has so increased the financial obligations of the March of Dimes in providing care and treatment for those afflicted that its funds annually have been exhausted, and,

Whereas, the continuation of this vital help to polio sufferers, together with the advancement of the research program that has made such remarkable recent strides toward effective control of the disease, depend on the success of the 1954 March of Dimes, and,

Whereas, the Mothers' March on Polio will offer the final opportunity to contribute to the 1954 March of Dimes, thus proving our determination to protect our children from the polio scourge and to care for those who fall victims to the dread disease which has struck at many of our local boys and girls.

Therefore, I, by the powers invested in me as Mayor of Williamston,

Do Hereby Proclaim Friday, January 29, to be Mothers' March on Polio Day in Williamston, and do request that porch lamps be lighted in every home in our city between 7 and 8 in the evening to let it be known that a marcher is invited to call for a donation to the March of Dimes in order that its great humanitarian program may be maintained with renewed vigor.

In Witness Whereof, I have set my hand and affixed the Seal of the City.

Signed: R. H. Cowen

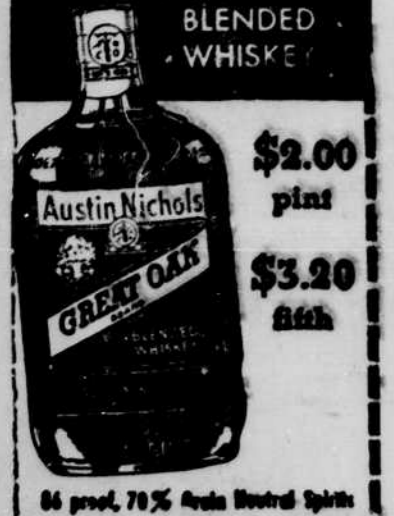

Pasture Improves By Using 2, 4-D

Recent research indicates that two-thirds of a pound per acre of the amine salt formation of 2, 4-D is the right amount to use in controlling most weeds in permanent pasture.

Use of the chemical weed killer actually results in a better stand of grasses without apparent damage to white clover or lespedeza.

News As Reported In The Enterprise Forty Years Ago

JANUARY 30, 1914

Mrs. T. B. Slade, of Hamilton, was called to Littleton Friday on account of the death of her sister.

Misses Lillie Floyd, Fannie Matthews, Maggie Belle and Annie Jones with Messrs. C. D. Perkins and P. H. Davenport motored to Oak City Sunday.

Dr. E. M. Long and Miss Mary Worsley, of Oak City, spent Sunday in Hamilton.

Mrs. J. B. Cloman, of Hamilton, spent Sunday in Scotland Neck.

The following from Hamilton attended the play here Wednesday: Messrs. C. D. Perkins, P. H. Davenport, S. D. Matthews, M. L. Gladstone and P. P. Peel.

J. H. Thrower left Monday for Vaughn, where he has accepted a position with the S. A. T. Railroad.

Miss Mamie Van Nortwick, of Plymouth, has been visiting Miss Eva Wolfe this week.

Miss Mattie Waters, who has been visiting in Norfolk for the past two months, returned Monday.

Miss Jessie Brown left Wednesday for Baltimore, where she will visit Miss Mattie Gurganus.

S. Collins Peel left for Norfolk Wednesday to visit relatives.

Mrs. C. B. Hassell has as her house guest Mrs. W. B. Wilson, and entertained in her honor on Thursday afternoon.

D. C. Jones, of Hamilton, was here Tuesday.

J. W. Cherry, of Everetts, was in town Thursday.

Martin and Fowden have installed an up-to-date machine for moving pictures. They are on one of the best circuits in the State, and will give two shows for six nights in the week. The management states that good order will be preserved during the show.

The results of tests over the past three years, show that 2, 4-D is beneficial to pastures provided it is used on "established grass and legume stands and that the rate of application does not exceed 2/3 of a pound per acre." Heavier applications injure the legumes.

When the other moving picture show was running, there were those who seemed to think that they were among a crowd of rowdies instead of men and women who wanted to see the show.

On January 22nd, 1914, at the home of the bride's sister, Mrs. E. A. Timberlake, on Center St., Miss Annie Fitzgerald became the bride of Mr. Percy V. Critcher, a prominent young lawyer of this city. Rev. J. M. Hamrick, of the First Baptist church, performed the marriage ceremony. Mr. Critcher is judge of the recorder's court of this city, and is held in high esteem by all who know him. He has been a citizen of Lexington for three years and he is fast coming to the front in his profession. His bride is a very charming and very beautiful young woman and is very popular here. The happy couple caught No. 12 soon after the ceremony and left for Washington on a bridal trip.—News and Observer.

On Thursday afternoon of last week, the home of Mrs. Alonzo Hassell on Haughton Street was filled with guests who enjoyed the time from 3:30 to 5:30 o'clock in a most delightful manner. Tables were arranged for the popular game of Rook, and the interest was marked during the hours. At the close of the game, Mrs. Hassell served a salad course followed by block cream and cake. The guests were given pink and white carnations as favors and at each table there were attractive score cards for the players. Those enjoying Mrs. Hassell's hospitality were: Mrs. Wheeler Martin, Sr., Mrs. C. D. Carstarphen, Miss Mae Bennett, Mrs. J. S. Rhodes, Miss Della Lanier, Mrs. J. H. Saunders, Miss Essie Peel, Mrs. A. T. Crawford, Miss Anna Pope, Mrs. Henry Crawford, Mrs. John Cook, Mrs. C. B. Clark, of Durham, Mrs. J. P. Simpson, Mrs. S. F. Williams, Miss Daisy Manning and Mrs. A. R. Dunning.

The following pupils were on the honor roll at the school at Everetts: Lollie Clark, A. P. Barnhill, Marshall Rogerson, Lona Peel, Hattie Roberson, Ruby Barnhill, Bessie James, Myrtle Wynne, Hilda Burroughs, Nellie Fay Barnhill, Luther Clark, and Hattie Keel.

R. W. House, R. L. House, J. F. Council and J. W. Hines, of Oak City, motored here last Wednesday night to see Beverly of Gräustark.

T. W. Davenport, of Oak City, spent Monday in Tarboro.

B. M. Worsley F. G. Whitaker, Miss Nannie House, Miss Melissa Worsley and J. W. Hines, all of Oak City, motored to Scotland Neck Tuesday night to see "Beverly."

J. L. Smith, of Farmville, spent Sunday with his daughter, Mrs. W. E. Barrett, at her home in Oak City.

Again in 1954—of all the lines of cars—

CHEVROLET IS LOWEST PRICED!

As in years past, Chevrolet brings you the biggest savings in first cost with the industry's lowest priced line of cars. Because of greater buyer preference, year after year, more Chevrolets are built than any other car. This, in turn, means mass production economies that are passed on to you in terms of higher quality at lower cost.

And this year, Chevrolet brings you more "money's worth" . . . more downright dollar value than ever before! The new '54 Chevrolets are brimming with new Fisher Body Beauty—fresh new styling refinements outside . . . new, even finer fabrics and even richer color harmonies inside. You get new high-compression power and performance . . . new engine

quietness and smoothness combined with money-saving gasoline mileage.

In addition, Chevrolet for '54 is first in the low-price field with a complete choice of automatic power features—conveniences like Powerglide, Power Steering, Power Brakes, Automatic Front Window and Seat Controls. Of course, these options cost extra, but a new Chevrolet with all the power features you want actually delivers for less than most other makes without them. Fact is, no other cars have ever offered you so much for such low cost!

Come in and see all the wonderful new things you get in the new Chevrolet for '54. Then see how you save with the lowest-priced line in the low-price field.

Power Brakes available only on Powerglide models. Automatic Front Window and Seat Controls only on "Two-Ton" and Del Air models.

"I saved money on fertilizer; Now I'm chibby, if somewhat wisert, I put a little in the dirt, But not enough to save my shirt."

Remember, it works both ways: \$1 worth of S-D Fertilizer adds more than \$5 worth of yield to value of the average crop; and every \$1 you "save" by using too little fertilizer cuts more than \$5 off your yield! Save with fertilizer, not so it.

High-quality S-D Fertilizer of the right grade and in the right amount reduces unit production cost by increasing yield and quality per acre. Let the nearby S-D Fertilizer representative help you keep your income up!
