"ZIRON IS A GOOD MEDICINE"

Says Rock City, Ala. Gentleman, After Having Given It Consistent Trial.

Ziron is a new scientific combination of pure, inorganic, official, U. S. Pharmacopoeia iron, with the hypophosphites of lime and soda and other valuable tonic ingredients, recommended by the best medical authorities in the treatment of anemic conditions.

Ziron helps to put iron into your blood and this helps to build strength for you, when you are pale, weak, nervous, depressed.

Read what Mr. Sidney Fry, of Rock City, Ala., says, and then try Ziron. He makes the following statement:

"Something over a week ago I used Ziron for the first time. I was troubled with indigestion and had a spell of weakness. Ziron helped both troubles. I felt stronger and my stomach quit hurting. I really feel that Ziron is a good medicine. It surely helped me."

Your druggist will sell you Ziron on a guarantee that if the first bottle does not benefit you, he will refund the money you paid him.
