FOR REAL RESULTS

If You Were Talking With

The greatest medical writer that the world has ever known, and he told you there is but one case for sickness, would you believe him? SURE YOU WOULD. Now he has told the world that very thing. He also told of the remedy that would remove that cause. TA-KO-LX contains the ingredients.

OUR WORD—NO CURE, NO PAY
AT YOUR DRUG STORE

"Our Yield Larger than any Other in this Vicinity."

Mr. Thomas Earle, Steelton, Pa., says: "This season we used Bowker's Pyrox on about half an acre of potatoes. We had an exceedingly dry season, but we had a larger yield per acre than any other in the vicinity—due largely, we believe, to the use of Pyrox—as the plants kept green and healthy longer than those that were not sprayed."

The spray to use

This voices the experience of potato growers everywhere. Pyrox kills the bugs; prevents blight and, as it sticks like paint on the leaves, one application does the work of several applications of Paris Green. Follow the lead of the big potato growers and orchardists—there is no sentiment about their enthusiastic use of Pyrox—it gets them the money. We sell Pyrox—any quantity you want, in small crocks, kegs or barrels. Ask for the new and interesting Pyrox booklet.

Diamond
Squeeges Tread TIRES

EVERY Diamond Tire on a car—and there are 2,000,000 of them in use—means that somebody has walked into a dealer's store, and bought it—

Often to replace another brand of tires.

This fact is obvious since Diamond Tires do not come as original equipment on cars.

In short, actual service on cars has proved to users that the utmost tire value lies in Diamond Tires.
