

GARDNER, MORISON IN SECOND PRIMARY

Page Manager Concedes Defeat and Thanks Voters for Flattering Support.

Complete returns from 40 counties and virtually complete returns from 46 others from Saturday's primary give Lieut. Gov. O. Max Gardner a lead of 3,051 over Cameron Morrison for the democratic gubernatorial nomination. Charles Ross, manager for Robert N. Page, yesterday conceded the election of Mr. Page, leaving the field to Gardner and Morrison.

A total of 1,564 precincts of the state gave Gardner 42,216; Morrison, 39,165; and Page, 27,187. It is estimated that the entire state vote will run between 115,000 and 120,000. The drift of official returns coming in yesterday indicated that Justice W. A. Hoke is renominated for the supreme court, but the early indications of Dr. N. Y. Gulley would be his running mate on the Democratic ticket was upset, second position going to W. J. Adams, third to B. F. Long and fourth to W. P. Stacy. The vote complete in 21 counties showed Hoke, 16,744; Adams, 10,410; Long, 10,212; Stacy, 9,146; Guile, 6,648; Guion, 4,100; Rouse, 3,285.

The official returns showed W. B. Cooper with a good lead over F. C. Harding for the lieutenant governorship; the vote being 17,500 to 13,591 in 21 counties.

In the same 21 counties, B. R. Lacy, for state treasurer, had a vote of 20,695 against 8,320 for B. F. Renfrow; Major W. A. Graham, for commissioner of agriculture, had 16,418 against 7,106 for H. E. Thompson; M. L. Shipman, for commissioner of labor and printing, had 17,039 against 9,154 for D. P. Dellinger.

In the state auditor's race, returns from 21 counties gave Durham 19,343; Cook, 6,524; McDonald, 4,849; Boyd, 4,270; and Woodley, 2,882.

In the gubernatorial race Judge J. Crawford Biggs is claiming a lead in the primary of between three and four thousand votes when all the returns are in. At the same time Mr. Heriot Clarkson is claiming that on returns he has in hand Morrison has a clear lead.

In a statement last night, Mr. C. Ross conceded the elimination of Mr. Page and declared that the unselfish manner in which Mr. Page's vote was given does much to soften the disappointment of defeat.

The statement follows: "While the returns from the primary are yet incomplete, they are sufficiently full to convince me that Mr. Page has been eliminated from the contest.

"Mr. Page's vote is sufficiently large to be very flattering and the class of citizenship from which this support came and the unselfish manner in which it was given does much to soften the disappointment of defeat.

"We have made our appeal to the best thought of the state, and while we have not achieved success, we tried to do so; that is, to deserve success.

"We quit the field hoping that we have contributed some part to keep the campaign on a high plane, and have done nothing of which we are ashamed.

"I desire to thank the newspapers of the state for the uniform fairness with which they have treated me, and to acknowledge the unflinching courtesy of Mr. Clarkson and Judge Biggs managers of the opposing candidates."

A compilation of returns from the 10 districts showed Mr. Gardner has carried the first, second, third, fifth and six districts, while Mr. Morrison has carried the fourth, seventh, eighth, ninth and tenth. The vote in the third, fourth, eighth, ninth and tenth districts is very close and may be upset by official returns.

The tabulation of the vote in the districts as it appears now follows:

| Districts | Page | Morrison |
|-----------|--------|----------|
| First | 1,854 | 4,426 |
| Second | 2,728 | 5,557 |
| Third | 1,521 | 2,873 |
| Fourth | 3,309 | 4,069 |
| Fifth | 2,469 | 5,985 |
| Sixth | 6,153 | 3,636 |
| Seventh | 1,587 | 2,254 |
| Eighth | 3,851 | 5,347 |
| Ninth | 387 | 9,325 |
| Tenth | | 3,471 |
| Totals | 27,187 | 42,216 |

EMBASSY ATTACHE, FEIGNS LAMENESS AND ESCAPES

Mexico City, June 8.—Major E. W. Burr, attached to the American embassy, had the pleasure of meeting in the capital after the revolutionists entered the city General Rafael Pimental, the former Zapata leader, who captured him, together with several other leaders.

Both he and the other members of his party, praised Pimental's courtesy when they reached the capital. Pimental, slight and boyish for all his six years of guerilla life, now commands 1,500 former Zapata adherents at Xochimilco, a suburb. He is conceded to be the brains of the army from Morelos and has the full confidence, not only of Genevevo de la O and Valentin Reyes, but of General Obregon.

New Train Will Be Great Advantage to Vacation Hunters and Others.

The Southern Railroad is inaugurating a new schedule from Goldsboro to Asheville, with sleeper and dining car accommodations. Several conventions will be held in Asheville this summer, the first being the Merchants Association on the 16-17 of this month, and quite a delegation will go from here. This new train will be of great advantage to these delegates and others who contemplate a vacation in the mountains.

ATTENTION CITIZENS: LEND A HELPING HAND

The Chamber of Commerce is anxious to get a number of beds and cots for the use of the baseball players for the season. The citizens are asked to lend to the Chamber of Commerce any extra beds or cots that they may have. These cots will be signed for by the local organization, tags placed upon each bed or cot, and at the end of the season will be returned to the owners in the best of condition.

On account of the high cost of things, and the impossibility of securing room and board for the players at any reasonable rate the beds and cots will be used at the school-house, where the players will have the use of the shower baths and the dressing rooms.

If any citizen has an extra bed or cot, Secretary Shakkell asks that they notify him as soon as possible, and the Chamber of Commerce assumes all responsibility for the furniture.

Mr. Powell states that he believes he has as splendid demonstration facilities at his place of business now as can be found in eastern North Carolina.

'POP' ANNOUNCES OPENING LINE-UP

Llewellyn and Tyndall Will Do The Tossing and Receiving in Today's Game.

Manager "Pop" Bryan announced his line-up for the game today at a late hour this morning. Llewellyn will dig his toe into the center of the diamond at the opening game to be played at Pinetops at 4 o'clock this afternoon, with Tyndall doing the receiving act for Tarboro and Taylor manipulating the little strike and ball indicator behind the plate. Baker will hold down the initial sack, while Green is to cover the second cushion. Lancaster or Gammon will cover the third corner of the diamond, with Kilroy playing the shortstop territory.

In the outfield Stewart will take center, O'Brien left and Davis right garden plots. The outfield itself will be one that will become a favorite with local fans from the first game, while the infield has been showing at preliminary tryouts on the local grounds that they are in the game to prove their worth.

Champion and Champion will do the receiving act at the Tarboro fair grounds tomorrow afternoon. Their names are to be lived up to, and Manager "Pop" is staking his roll on the opening exhibition for the home grounds.

The games will begin at 4 o'clock throughout the season, unless otherwise announced at some later date.

WOMAN SUFFRAGE ALLIANCE NOTES

Former Woman Senator of Colorado Is Speaker at International Suffrage Congress.

Geneva, Switzerland, June 7.—(By Associated Press.)—Helen Ring Robinson, formerly state senator of Colorado, was one of the speakers today at the mass meeting held here by the Congress of the International Woman Suffrage Alliance and addressed exclusively by women members or former members of parliaments or other governing bodies.

"It is a great pity that there have been relatively so few women legislators in my own country," she said. "In our various state legislatures some 60 different women have served. But they have been spread over a good deal of territory, and time, which makes the spreading much too thin.

So far but one woman has been elected to our National Congress and during the entire term of office of Congresswoman Rankin, the press never ceased debating whether she was a flower or a vegetable. For myself I vote for the vegetable. What the world needs today is a big crop of vegetables and nature always looks out for the flowers anyway.

"There are four callings for which women are plainly better fitted than are men—acting, caring for children, nursing and legislating. I do not say that women have surpassed men as legislators, but I do say they are inherently better fitted for legislating, which should deal primarily with improvements in social relations.

"Count Sulein is credited with saying that the great war was caused by a quarrel between Hungary and Serbia over the shipment of hogs. All the great wars of history have been caused by quarrels over the shipment of hogs—in some guise or other. All of the legislation back of those wars has been built on hogs and the belief that the measure of a nation's greatness is the production of wealth hogs."

"Now another estimate of value is shaping itself out of a world's agony, the ideal that women have always held that the measure of a nation's greatness is the production of health and happiness. Here is the special task of the woman legislator. Here is the solemn duty of the women assembled in Geneva at what may justly be called an international vision across the flux of the whole world's thinking by every possible expedient, to embody it into law, to weld it into constitutions, to interpellate it into every international movement."

Atlanta, June 7.—Oglethorpe University conferred its first degree, doctor of laws, upon Woodrow Wilson, at the first commencement exercises of the university yesterday.

TODAY'S NEWS OF TARBORO 20 YEARS AGO

Marr'd.—Last evening at 8.30 o'clock at Calvary church, by Rev. E. W. Gamble, H. L. Leggett and Miss Sallie Baker.

The bridesmaids and groomsmen were: Miss Lena Simmons and J. W. Forbes; Miss Mary Hester Marriott of Battleboro and Theo. Cheshire; little Catherine Pender and Arthur Bass.

Miss Annie Baker of Battleboro, sister of the bride, was maid of honor; Will Howard was best man. Ushers: Dr. H. B. Marriott, Doc Teel, James Pender and A. A. Haynes.

After the ceremony the bride and groom repaired to the residence of Frank A. Brown, where he and his clever wife gave them a reception which was largely attended. The refreshments were dainty and abundant. They were the recipients of some handsome presents.

The bride is the daughter of W. S. Baker of Nash. The groom is the son of the late Fayette Leggett, of this county.

The walls of the electric light power house are nearly up. Mr. Toller expects to complete his part of the contract next week.

Wood Winborne tomorrow would have his friends to stroll down to the Riatio and regale themselves with the toothsome scorched pig he knows so well how to prepare.

The census will probably show that Mayor Baker presides over a community for less money than any other municipal magistrate, of police, population considered.

Incendiarism.—Greenville last night narrowly escaped being the scene of another disastrous fire. Back of one of the bar rooms in the lower part of the town, a fire in some hay, which had been placed there and saturated with kerosene, was discovered just in time to be extinguished before it made headway on the buildings. The hay and the presence of oil makes the origin of the fire unquestionably incendiary.

Five persons were baptized last evening at the Baptist church.

REPUBLICANS OPEN MEET AT CHICAGO

No Candidate Has Enough Votes to Assume Assurance Of Nomination.

Chicago, June 8.—Unique in the annals of the party, the Republican National Convention assembled here today unobshed, unbribed and without a presidential candidate having enough votes in sight to assume any assurance of the nomination.

The convention promises to be a recordbreaker in all respects. It may cast more ballots than any Republican convention since Garfield was nominated in 1880, when 36 were cast before the party standard-bearer was named.

Overnight reports and rumors from candidates' camps and delegation headquarters shed no light upon the situation. A triangular deadlock between Wood, Lowden and Johnson still appeared certain on the first trial of the voting strength Wednesday or Thursday, with probably more than a score of favorite sons, dark horses or individual selections sharing more than one half of the total vote.

The roll call will give, however, the first clear intimation as to what the mass of uninstruited delegates have been thinking. There was talk of cutting the convention preliminaries by making a temporary organization with Senator Lodge as its chairman, on a permanent convention structure, but no definite step was taken before the first session today.

A. F. L. PRESENT SCORES OF DEMANDS TO ADMINISTRAT'N

Montreal, June 8.—Resolutions covering political and economic conditions in the United States and labor demands upon the administration forces of that country were presented by the score today when the American Federation of Labor opened its session. One resolution demanded the impeachment of Attorney General Palmer, while another condemned Postmaster General Burleson.

ELDER P. D. GOLD DIES IN 88TH YEAR

Prominent Primitive Baptist Minister and Publisher Died At Mebane, Yesterday.

Wilson, June 7.—Elder P. D. Gold, for 49 years pastor of the Wilson Primitive Baptist church and serving at various times the churches at Durham, Tarboro, Scotland Neck, The Falls, near Rocky Mount, and several others, and editor of Zion's Landmark and founder of the P. D. Gold Publishing Co., died at the home of his second wife, nee Mrs. Geneva Burton, near Mebane, where they had gone for recuperation, at 12.35 this afternoon, in his 88th year.

He is survived by seven children by his first wife, who was Miss Julia Pipkin, of Goldsboro; John and J. M. Gold, of Wilson; Mrs. Richard Winstead, of Mullins, S. C.; Mrs. William Spicer, of Goldsboro; C. W. Gold, of Greensboro; P. D. Gold, jr., of New York City, and Mrs. Gilbert Clark, of High Point.

His remains reached here tonight and the funeral services will be conducted from the Primitive Baptist church Tuesday afternoon at 4 o'clock by Elder C. F. Denny, acting pastor, after which the interment will be made in Maplewood cemetery.

Elder Gold was born and bred in Rutherford county and when a young man studied and practiced law, and represented his county in the legislature. For the past 49 years he has been active and eminently useful as minister of the gospel, publisher and an honored citizen of the state where he was so well known. He had traveled extensively and had preached in every state in the union.

THOUSANDS WAIT BEFORE COLISEUM

Only Fraction of Large Crowd Was Admitted, Despite Capacity of Coliseum.

Chicago, June 8.—Hours before the doors opened at the Coliseum here thousands were waiting hoping to get in. Only a fraction of these applying for seats were admitted, despite the fact that the capacity of the Coliseum is ten thousand.

Political activities moved out of the hotel district into the Coliseum itself with the assembling of the first session. Today's session in the hall had little to do with the actual nomination and was merely a routine but indispensable preliminary to the sessions to follow. The keynote speech by Senator Lodge, temporary chairman, was really the big business of the day.

While last minute arrangements are being made there is no change in the line-up visible, and various managers admitted they saw no evidence of which way the wind was going to blow. All are still looking forward to the first ballot to develop to point the way to a course of action. The convention actually opened its first session at 11 o'clock, Chicago time.

FIRST HOME GAME TOMORROW 4 P. M.

Large Attendance Expected At First Home Game of East Carolina League.

The baseball season opened today with the first game this afternoon in Pinetops between Tarboro and Pinetops and tomorrow Pinetops plays on the Tarboro grounds.

Let us get together with a whoop and put the finest game of baseball over tomorrow. It is for us, the fans, to rally to the cause and show the boys that we are with them.

We want good baseball, and mean to have it; therefore, the fans must play the game as well as the baseball players.

Make tomorrow, the opening game here, the banner day in point of view of attendance that has ever been known and let us have the merchants close during the short time the game is in progress.

What merchants in Tarboro will lead the way in assenting to close their stores tomorrow, Wednesday, afternoon from 3.30 to 5.30 so that everyone can go to the ball game? The game is called tomorrow at 4 o'clock.

Have you bought your season tickets yet? If not, go at once to Macnair's or the Edgecombe drug store and get one. It costs ten dollars, but you save a third.

TWO AND A HALF GALLONS COST MEN FIFTY DOLLARS. Frank Bridgers and Henry Williams, colored, decided that election day would be a splendid time to enlarge upon their capital by the sale or at having on hand that liquid known as monkey rum which might be found handy by some thirsty voter on election day. So Frank confiscated a number of coca-cola bottles and filled them with the liquid, while Henry decided to plant his in the garden. The hard luck about the thing was that Chief Lewis and Policeman Pulley found the whiskey, and the two negroes were called up before court yesterday to answer and give reason for the presence of the monkey rum. It was decided that \$50 and costs would about even the thing up with the civil authorities.

As Frank only had one gallon on hand and Henry one and a half gallons, it turned out to be a rather costly investment for the two colored men.

PENROSE IN CLOSE TOUCH WITH CHICAGO CONVENTION

Philadelphia, June 8.—Senator Boies Penrose, who is confined to his home, is reported to be much better by his secretary. He said the senator was kept busy answering telephone calls through the days, and that he was keeping in close touch with affairs at Chicago.

Among those with whom the senator has recently talked over the telephone was Mayor Moore of Philadelphia. The mayor, who will deliver the speech placing Governor Sproul of Pennsylvania in nomination for the presidency, spoke to the senator just before he left for Chicago. The secretary would not discuss the conversation.

Mr. Penrose spends much time in reading the newspapers and answering correspondence. A telephone connected directly with the convention hall at Chicago is in his room. In addition, the senator has a direct telegraph wire.
