1. Morrison was born in the latter part of November, 1869.

2. Morrison, the son of a life-long Republican, went with his father to the Republican Convention in August, 1890-which was before he was 21 years old.

3. That convention, recognizing the talent and ability of young Morrison and that he would develop into a great leader, anxious to tie him to the organization, made him a delegate at large, along with two other white men and two negroes.

4. Before that convention adjourned, and as soon as the appointment was made, Morrison declined the honor (?) and notified his father that it would be dangerous for the republicans to take control of the State and that HE WOULD NEVER VOTE THE REPUBLICANTICKET.

5. Immediately upon his return to Richmond County, in August, 1890, he joined the Democratic party and stumped the county for the DEMOCRATIC TICKET—and he was still under 21 years of age.

6. The election occurred on the first Tuesday after the first Monday in November, 1890, but Morrison was not old enough to vote. However, he had contributed his talents and influence to the Democratic ticket.

7. Morrison was too young to vote in the election of 1890, but he had found his bearings, had cut loose from the party of his father, had thrown aside the tempting lonor soffered him by the Republican party, and had started upon his life long work as a fighting DEMOCRAT to redeem and keep safe the State of North Carolina. Within a few years he had converted his father and his record since that time has been one of constant party service and devotion.

Any person who makes a statement contrary to any of the above stated facts is either misinformed or speaks a malicious falsehood with the purpose of injuring one of the State's greatest Democrats.

These facts disclose the only POLITICAL SIN ever committed by Mr. Morrison. Do they justify this eleventh hour attack being made upon him? In all fairness, DEMOCRATS OF EDGECOMBE, do you approve of it? There was nothing to be said against Mr. Morrison during the twenty-five years of faithful and effective work which he gave to the Democratic party in the interest of other candidates; and there was very little to be said against him before the first primary on June 5th; but now those who oppose him in the primary to be held on July 3rd would have the Democratic voters of North Carolina believe him unworthy to be Governor of the State, and they have quit telling the people what a fine fellow Max Gardner is and are spending their time abusing and villifying Cam Morrison.

THE SAME GAME HAS BEEN PLAYED BEFORE. IT ALWAYS HAS LOST AND IT WILL LOSE ON JULY

As to MR. GARDNER: We have nothing to say now and we have had nothing to say in the past about his politics or hs character. We intend to fight the campaign out just as we began it and just as we fought is before the first primary. We believe Mr. Gardner is a nice fellow and some day, when the women get to voting, as he hopes they will, he may be Governor of the State; BUT, in this year of grace 1920, the voters of the State intend to reward Cameron Morrison: He is gainingdaily. He lead before in County and State. He will lead again on July 3rd, and will be nominated by a safe majority.

AND WHAT'S MORE, he will be nominated without MUD-SLINGING HIS OPPONENT.
