TARBORO AGAIN IN
WINNING STRIDE

DEFEATS GREENVILLE AND NO.
TABLE SHEPPARD IN SECOND
VICTORY OF SERIES.

With a new man on the mound for Tarboro and the boys really playing baseball yesterday, the locals defeated the top leaders by the score of 6 to 2, in a fast and interesting game.

Sheppard for the Greenville boys was hit hard and was hit when hits meant runs, the Tarboro boys making three in the first.

Pleplevos and Gray were the batteries for the locals and the pitcher was never really in danger the entire game, although Greenville got men on bases in every inning.

Score by innings: R.
Tarboro 320 001 000—6
Greenville 010 001 000—2
Batteries: Pleplevos and Gray;
Sheppard and Wrenn.

PINETOPS REFUSES TO FINISH
GAME.

Because of a bad decision by the umpire in the seventh inning, when the score stood 1 to 1, Pinetops players walked off the field in Washington yesterday and refused to play. After several minutes of consideration the umpire declared the game forfeited in favor of Washington.

RAINED OUT AGAIN.

The game yesterday between Williamston and Scotland Neck-Hobgood was rained out again.

IRON SHUTTERS CAUSE
RIOT AND MASSACRE

Constantinople, July 21.—Iron shutters have probably caused more riots, massacres and pogroms in the Levant than political agitators. All shops in the Near East are provided with rolling iron shutters which work in iron grooves. When they are hanged down they make as much noise as a machine gun. Every time there is rumor of any sort of trouble some timid merchant slams down his shutters to protect his plate glass. Without investigating the cause, other merchants follow instantly with such a clatter that the public becomes panicky and rushes about trying to discover the cause of the big flurry.

At such moments, excited crowds will credit any rumor which is put into circulation. Pickpockets avail themselves of such opportunities.

Soapbox orators, street fakirs and magicians gather crowds by this device. In any Turkish city the circulation of a rumor that a movement is to be started against Christians will cause all the Armenian or Greek shops to close within a few minutes, and frequently the noisy closing of the shops fans the religious hatred of the Moslems into action.

ENGLISH WOMEN
GONE "BETTING MAD"

London, July 21.—Some of the London newspapers lament that the English women and girls have gone "betting mad," and that it is a common thing for girls in offices, on the stage, married women, and even the school girls to lay wagers varying from six pence to a pound.

"Why shouldn't we gamble?" one pretty office girl asked. "Now the war is over, we must have some harmless excitement, mustn't we?"

"Some of us bet on tennis and golf, on engagements to marry, and even on what word people will open conversations with."

A business man complained his office girls "chatter more about their bets than their work" and another declared his cook seemed "more concerned about odds than ovens."

"She has even incited my wife to making bets," he added.

Mr. O. C. Williamson, the assistant pastor of the Presbyterian church is holding a meeting at Oakland schoolhouse this week, including Sunday. The crowds are very good and the interest shown is remarkably fine.

BASEBALL NOTES

Miller, the Little Rock slugger, continues to set the pace for the Southern league batsmen.

They have pinned a bright gold medal on Clark Griffith in recognition of his services to the soldier boys during the war.

The lack of surplus players has proved a big handicap in the efforts of the champion Cincinnati Reds to repeat this year.

With four clubs in a tangled scramble for the lead, the Pacific Coast League continues to furnish one of the liveliest pennant races of the year.

With the beginning of the second half of the West Texas League season the Mineral Wells and Cisco clubs decided to try their luck with new pilots at the helm.

With the acquisition of Benny Kauff and Bunny Hearne, the Toronto club is beginning to see visions of the International league pennant flying over the Maple Leafs.

Tom Sheehan, the Atlanta twirler, has distinguished himself by pitching both games of a double headed against Little Rock, 24 innings in all, and allowing but two runs on the day.

Though not quite so speedy on the bases as in the days of his youth, out fielder Clyde Milan, now in his 14th season with the Washington club, is still there with the willow, hitting around the .350 mark.

It is again rumored that efforts will be made to bring together the pennant winners of the American association and the International league in a post-season series this fall to decide the Class AA championship.

The sale of pitcher Bunn Hearne by the Braves to the Toronto International league club left Manager Stallings without the services of a left-handed twirler, a most unusual state of affairs for a major league club.

CONFEDERATE MONEY
CIRCULATES IN GERMANY

Berlin, July 21.—American Confederate currency in large quantities has been discovered in circulation in Berlin and other parts of Germany. Outlawed paper money has found ready takers among the unsuspecting who have rapidly exchanged it for marks at current rates. One merchant is known to have given 25,000 marks for a bundle of Confederate bills. The American Chamber of Commerce here has issued a warning urging Germans and all others to have American money carefully inspected by banks before accepting it.
