### TARBORO SHUT OUT WASHINGTON TEAM

Tarboro yesterday got back into her old winning stride by defeating Washington by the score of 7 to 6. Webb struck out sixteen men and was never in danger of being scored on during the entire contest. The opposing pitcher, for the visitors was good but the boys got his number, lets get the fellow's number today and finish the league in the lead, although Greenville has a good lead.

#### Williamston Wins in 12th

Pinetops, July 30.—Williamston defeated Pinetops here this afternoon in a twelve-inning contest, by the score of 9 to 5. The visitors staged a heavy battling rally in the final frame, succeeding in piling up overwhelming score, which it was impossible for the locals to overcome in their last inning.

#### Greenville Clings to top

Scotland Neck, July 30.—Greenville defeated the Scotland Neck Hyphens here this afternoon by the score of 3 to 2 in one of the fastest games staged here this season. The visitors shower splendid form and by bunching hits in the seventh frame, succeeded in sending the winning runner across the rubber. Owen, a new acquisition to the Greenville club pitched a great game, allowing the champions only four well scattered hits.

It has been humorously suggested that by living as long as Mme. Sarah Bernhardt, the eminent little French actress, is defeating her own odds, for she has already tested her coffin by sleeping in it, and some thirty years ago she had a tomb erected for herself in Pere Lachaise cemetery in Paris. The tomb is a magnificent affair of marble and she has frequently visited it and heaped it with flowers.

## Goodyear Mileage—and Tires for Small Cars

A well built tire yields much more mileage for each dollar of cost than a tire purposely made to be offered at a sensationally low price; buy the tire, not the price.

Built to deliver exceptional mileage at exceedingly low cost, Goodyear tires, of the 30 x 3-, 30 x 3½- and 31 x 4-inch sizes, save inconvenience, disappointment and money.

Their value results from the application of Goodyear experience, expertness and care to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—for the real worth and endurance that Goodyear builds into them.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$2350  
30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$2150

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly castings when such sure protection is available? 30 x 3½ also \$450 in waterproof bag
