### UNUSUAL CONDITION

#### Texas Lady Suffered With Paining and Aching Pains in Her Back, Which Cardui Relieved.

Houston, Texas.—Mrs. C. D. Cook, of 1312 Whitty Street, this city, recently said: "About four months after my marriage, I . . . began suffering much pain, and knew that my condition was unusual, but couldn't just decide what was wrong. I had to go to bed. . . .

"All across my back and hips were pains, pulling and aching until I could hardly sit up. I stayed in bed a few days. My husband had heard of Cardui. . . . so I told him he might get it. . . . After I had taken Cardui a few days, I was up. I took five bottles and haven't been in bed since for this trouble, for if I have the least symptoms of this trouble I get Cardui and take it in time.

"I have a number of friends who have used Cardui, and they recommend it very highly."

The experience of this Texas lady is similar to that related by thousands of other women.

Cardui is purely vegetable, and mild and gentle in its action. Cardui may be the very medicine you need if suffering with womanly troubles.

## Four South Carolinians Sail For China On Baptist Missionary Ship

The Empress of Japan, Canadian Pacific Liner (3), on which approximately 100 Southern Baptist missionaries sailed from Vancouver, B. C., August 17, for China and Japan. Four representatives of South Carolina were aboard the boat, all new appointees. They are: Dr. Samuel O. Pruitt, of Anderson (1), and Mrs. Samuel O. Pruitt (2), who will do medical work, and Francis Pugh Lide, of Georgetown (4), who will do educational work at Hwanghsien, and Miss Ruth Pettigrew, of Bannockburn (5), who will do educational work at Yingtak, China.

When approximately one hundred Southern Baptist missionaries sailed on the Canadian Pacific liner, the Empress of Japan, from Vancouver, British Columbia, Tuesday, August 17, for fields in the Orient, they formed the largest group of evangelists of the Christian religion that has ever been sent to foreign fields at a single time by a single denomination since the beginning of Christian missions.

The majority of the appointees of the Foreign Mission Board are new workers, recently come from the various educational institutions of the South where they have spent years in preparation for the duties they are about to assume in other lands.

Appointment and sending forward of so large a number of workers at a single time was made possible by the larger proceeds for missions from the Baptist 75 Million Campaign, from which \$20,000,000 will be realized for foreign missions during the five years covered by the campaign. Not all of this fund will be used in employing new workers, though approximately 500 additional men and women will be sent out during the five years. Other sums will go to providing more church buildings, schools and hospitals, homes for the missionaries and improvements of that character, including publishing houses for turning out the Bible and other religious literature. Many improvements will be made in missionary institutions already in operation on the foreign fields.

Missionary Operations Enlarged.

In the new appointees of the Foreign Mission Board—and a new record was established when sixty-six were named by it this summer—are a number of Christian doctors, nurses, teachers, scientists and women workers, and one expert in farming and stock raising. These will supplement the work of the evangelists in that they will seek to relieve bodily suffering, teach the boys and girls, pave the way for more efficient homes by interesting mothers in sanitation, housekeeping, and by their good work create in the minds of the people a favorable attitude toward the Christian religion. The instructor in agriculture and stock raising will undertake to reach many Chinese farmers with better methods of production and thus prove that the Christian missionary is the farmer's friend. The majority of the missionaries were born on the farm.

While the majority of the new appointees are going to China and Japan, others will sail in September for work in Africa, Brazil, Argentina and Chile.

World Program Is Planned.

Ten foreign fields are occupied by Southern Baptists today in Africa, Asia, Europe, South America and Mexico. The work in all these fields will be strengthened and enlarged as a result of the larger funds made available for foreign missions through the Baptist 75 Million Campaign. New fields have been opened in Europe and the Near East and a million dollars has been appropriated for launching an intensive work in Russia the moment the doors of opportunity are opened there. The Board is greatly strengthening its work in Palestine and hopes ultimately to give the gospel to hundreds of thousands of people in the land which witnessed the earthly labors of Jesus Christ.

Work in Homeland Fostered.

While a large sum from the campaign is appropriated to foreign missions, home interests have not been overlooked. Appropriations to home objects include \$12,000,000 for home missions; \$11,000,000 to state missions; \$20,000,000 to Christian education, or the better equipment and partial endowment of the 114 educational institutions owned by Southern Baptists—\$4,500,000 for the thirteen Baptist hospitals in the South; \$4,039,638 for the sixteen orphanages, and \$2,500,000 for the relief of aged ministers and their dependent families.
