MOTHER GAVE IT

Virginia Lady Suffered With Aches and Pains Until Mother Began Giving Her Cardui.

Dublin, Va.—Miss Mary Alice Hughtt residing on Route 2, near here, recently told a visitor of her interesting experience with Cardui. Miss Hughtt said: "I had been suffering for some time with painful... I was pale, didn't feel like going. Would just drag around, and couldn't rest to do any good. I would suffer once a month with my back, sides and head. My limbs would ache and I didn't know what to do, but I knew I must do something, for I didn't get well by letting it run on."

"My mother is a believer in Cardui, for she saw what it did for others as well as herself, so she began giving it to me."

"It wasn't long before I saw a change. It was just what I needed. It regulated me. I began to eat and sleep, and the pain stopped."

"Cardui is without doubt the best female tonic made, and I am glad I can recommend it to others."

If suffering with symptoms such as Miss Hughtt mentions, or other ailments peculiar to women, why not be in Cardui at once? Its merit is well established by successful use for more than 40 years.

**The Economy of Using
Goodyear Small Car Tires**

So-called bargain tires, made up for sensational sales and offered at ridiculously low prices, do not attract careful buyers.

They are far more concerned with what they get than with what they pay because they know that in the end it is performance and not price that delivers actual tire economy.

The popularity of Goodyear Tires, of the 30x3-, 30x3½- and 31x4-inch sizes, is based on the fact that they deliver exceptional mileage at exceedingly low cost.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$2350

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$2150

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size \$450 in waterproof bag
